YOU MUST SAVE!

It is not hard to save \$50 a year—\$1 a week—when you must. It is not hard to protect your family by a small yearly premium and to lay up money for the day you are ready to stop work.

An Endowment policy in

makes you save where, otherwise, the small yearly premium would slip away in small extravagances. There is no such motive to deposit small sums in a savings bank.

The life insurance habit is a good habit, and should not be neglected by any one whose life is assurable.
