There is good news from the United States North West. The grasshoppers that threatened to eat up every green thing in a portion of that region, and to leave a large progeny behind them to repeat the performance, have taken wing south-westward without having left a deposit of eggs behind them. This may be bad for some south-western sections, but is very good for Minnesota, Dacotah, and our own Manitoba.

SELECT, STANDARD LIBRARY.

What Books shall I buy? This question is often asked by Ministers and Students. We give lists in the different departments of study. We will recommend for the most part only such as in our own experience we have found of special value. The list may be helpful, not simply to those selecting a library for themselves, but to any wishing to present works of real value to their pastors. The books of unusual value we will either put first on the list under any given subject or italicise their title.

BIBLICAL LITERATURE.

Smith's Bible Dictionary, Farrar's Dictionary, Theological and Ecclesiastical Literature, Stanley's Sinai and Palestine, Thompson's Land and Book, Coneybeare & Howson's Life and Epistles of Paul, Wimer's New Testament Grammar, Trench's Synonyms of New Testament, Lange on Genesis, Alexander on Isaiah, Stuart on Proverbs, Delitzsh on Job, Lange on New Testament, Tholuck on the Sermon on the Mount, Trench on the Barables, Trench on the Miracles.
