

## GOOD.

"Is good for us to be here." So said St. Peter on the Mount of Transfiguration. But the Lord did not stay there. His work was to go about "doing good." He went down from the mountain and healed the lunatic.

Hard it is to say what is good for us. Impossible it is for any one but God to tell us what is best. But whether we are to go up or down, let us "follow the Lamb, whithersoever He goeth."

WHILE the Christian may have to encounter many difficulties, he may partake of many pleasures; pleasures which are as much superior to the sickly joys of sensual things, as the river of life is purer than the green waters of a stagnant pool.

LET us but remember, that when we shall come to die, and our souls sit, as it were, hovering upon our lips, ready to take their flight, at how great a rate we would then be willing to purchase some of those hours we once trifled away, but we cannot.

PRAY for your clergyman, for he needs your prayers. Pray for one another; pray for the whole Church, pray for your families, and pray for yourselves. Be not satisfied, unless you have a good hope that God for Christ's sake has forgiven all your sins, and that you are living an honest, sober, truthful, Christlike life.

BRIGHT'S DISEASE, DIABETES, KIDNEY, LIVER OR URINARY DISEASES.—Have no fear of any of these diseases if you use Hop Bitters, as they will prevent and cure the worse cases, even when you have been made worse by some great puffed up pretended cures.

WORSE THAN WAR.—"The throat has destroyed more lives than the sword," by imprudence in eating and drinking; but when the health becomes impaired the miserable dyspeptic may find prompt relief in Burdock Blood Bitters. It regulates the bowels, acts upon the liver and kidneys, purifies the blood, and stimulates all the secretions to a healthy action.

THE TONTINE INVESTMENT POLICY of The North American Mutual Insurance Company combines in one form the greatest number of advantages attainable in a Life Insurance Policy. It appeals at once to the intelligence of all who understand the principles and practice of Life Insurance.

All Policies whether on Life or Endowment Rates, are subject to no higher charge in Premium Rates, in taking the "Tontine Investment" form.

The extra benefits of this are conditioned only upon continuance of the Policy for a certain specified term or Tontine period of ten, fifteen or twenty years, selected by the insured himself.

Two things most desired in Life Insurance are the certainty of protection in early death, and profit in long life. These are combined in the "Tontine Investment Policy" of the North American Mutual Life Insurance Co., which also issues Annuities and all the ordinary approved forms of Life Policies.
