The Success
 of anything depends upon the publicity it receives
 Therefore, when a Sunday school entertainment is to be held, or special church services are to be conducted, it is important that as many persons as possible be made acquainted with the fact. There is no better way of accomplishing this than by attractive poster and newspaper advertising. We print posters that people stop to read, and compose advertisements for newspapers equally attractive.

 50 Yonge Street, Toronto, about Sterling Silver Investments
 IN THE
"SLOCAN," B. C.,

the richest SILVER producing Mining Camp in the world, where stock investments continuously appreciate.
 NOTE the following opinion of HON. GEO. E. FOSTER, Ex-Minister of Finance, given to The Mail and Empire special correspondent at Rossland, B. C., February 27th, 1897:—
 "Then go to the Slocan country and see the rich products daily taken from now more than 55 working mines, and read the records of the returns therefrom in payments for developing expenses, and in rich dividends to fortunate owners and shareholders, and note the busy hum of confident work going on upon hundreds of new properties, and one's eastern incredulity is completely knocked out and gives place to real astonishment at what has been quietly done in a short three or four years of exploration and development, and at what an increased ratio this is likely to go on."
