Portable Fire Extinguisher.

THE EXTINGUISHER IS A SELF-ACTING PORTABLE ENGINE.
Easily carried, and is filled with water charged with Carbonic Acid Gas, which, upon the turning of a stop-cock, is thrown with great force through a small hose to the distance of forty feet, and in cases of fire has been found most effective.

PRICE \$29 TO \$40.

The Extinguisher is strongly recommended as a safeguard against Fire by the Managers and Agents of the Insurance Companies.

These Machines have already been introduced into the Bousin House, the Factory of Jacques & Hay, and the Warehouse of Messrs. Walker & Sons, besides several private dwellings in Toronto.

AN attack, abounding with errors, having been made upon the Etna Life Insurance Co. by the editor of the Montreal Daily News; and certain agents of British Companies being now engaged in handing around copies of the attack, thus seeking to damage the Company's standing,—if I have pleasure in laying before the public the following certificate, bearing the signatures of the Presidents and Cashiers who happened to be in their Offices of every Bank in Hartford; also that of the President and Secretary of the old Etna Fire Insurance Company:—

"To whom it may concern:—
"We, the undersigned, regard the Etna Life Insurance Company, of this city, as one of the most successful and prosperous Insurance Companies in the States,—entirely reliable, responsible, and honourable in all its dealings, and most worthy of public confidence and patronage."

British Medical and General Life Association,

BRITANNIA LIFE ASSURANCE COMPANY.

Capital and Invested Funds.....£750,000 Sterling.

ANNUAL INCOME, £230,000 STERLING.

Tenfold increasing at the rate of £25,000 Sterling.

THE important and popular feature originally introduced by this Company, in applying the periodical Bonus, so as to make Policies payable during life, without any higher rate of premium being charged, has caused the success of the BRITISH MEDICAL AND GENERAL to be almost unparalleled in the history of Life Assurance. *Life Policies on the Profit Scale become payable during the lifetime of the Assured, thus rendering a Policy of Assurance a means of subsistence in old age, as well as a protection for a family, and a more valuable security to creditors in the event of early death; and effectually meeting the often urged objection, that persons do not themselves reap the benefit of their own prudence and forethought.*

No extra charge made to members of Volunteer Corps for services within the British Provinces.
