LEFT ON THE VELDT.
Last the Armored Train Saw of the Brave Dublins.
London, Nov. 17.—The war office has received the following from Gen. Buller:
Cape Town, Nov. 16.—I have received from Hilyard, Pietermaritzburg, a telegram dated Nov. 15, of which the following is the purport:
The officer commanding the troops at Estcourt reports at midnight that an armored train left Estcourt this morning with a company of the Durban Fusiliers and a company of the Durban volunteers. North of Frere they encountered a party of Boers and began to withdraw. While retiring some of the trucks were derailed. The Dublins turned out and advanced toward the enemy, while the rest of the train appears to have returned without them to Estcourt.
The officer commanding the troops reports that he was sending mounted troops to cover their withdrawal, but that about 100 are missing.

THE FIELD TRIALS
Winners in the Annual Cont st at Mitchell's Bay.
A New Yorker Captures the All Aged With a Chatham Dog—W. B. Wells Wins Two Good Seconds.
The sportsmen engaged in the international Field Trials, which have been held during the past three days, returned to the city this morning. The trials, they report, were successful in every way. The weather for the trials was excellent and there was an abundance of birds. The work of the dogs generally was of a very superior order and the competition in both stakes was exceedingly keen.
The judges, Dr. Totten and Montague Smith, of Forest, and J. G. Armstrong, of Detroit, made the awards as follows:
THE DERBY.
I.—Bella Pointer, pointer, by Hal Pointer and Belle of Hersen, owned by Maroon & Morton, Windsor, handled by F. E. Maroon.
II.—Selkirk Milo, English setter, by Selkirk Dan and Selkirk Tans, owned and handled by W. B. Wells, Chatham.
III.—Cocquette, English setter, by Roy of London and Fanny, owned by H. Marshall Graydon, of London, handled by Geo. Kime.
IV.—Dan Tiers, English setter, by Thiers and Dido III, owned and handled by J. B. Dale, Petrolia.
There were nine starters in the above stake.
THE ALL-AGED.
I.—Noble Chieftain, English setter, by Dash Antonio and Rosa Rapid II, owned by Geo. W. Davis, New York, handled by Geo. Kime.
II.—Cleopatra, English setter, by Mirro II and Cambriana, owned and handled by W. B. Wells, Chatham.
III.—Joseph M., English setter, by Theawase Tick and Cincinnatus Trixie, owned by Dr. Chas. T. McClintock, Detroit, handled by E. Hodgins.
There were eight starters in this stake.

LEFT THEM TO THEIR FATE.
Durban, Natal, Nov. 16.—The Natal Advertiser has a despatch from Estcourt, which says: "When part of the armored train was overturned by the Boers tearing up the rails, the British alighted and exchanged volleys with the Boers. The engine driver, when the rails were replaced, seeing the position was hopeless, steamed back to Estcourt with a few of the Dublins and 15 of the Durbans, including Capt. Wylie, who was wounded, on the tender. The fate of the remainder of the Durban and Dublins and Lieutenant Churchill is unknown."
The Natal Mercury, describing the relief column starts:
New York, Nov. 17.—A despatch to the Herald from London says: "Mafeking has resisted the Boers so successfully that Gen. Cronje is now reported to be directing his efforts against Kimberley."
The relief movement toward Kimberley commenced some time ago. The Ninth Lancers, Northumberland Fusiliers, Munster Fusiliers and part of the Lancashire, who some time ago were concentrating at De Aar Junction, were on Saturday last within 50 miles of Kimberley.
It was this column which fought an engagement Nov. 10, which resulted in the loss of Lieut.-Col. Keith-Falconer.
Everything indicates that we are on the eve of very important developments in the region of the Orange river and along the line of De Aar Junction, Colesburg, Burgersdorp and Union North.

BOER LOSS 400.
New York, Nov. 17.—The Journal has the following from Durban: "The Boers have suffered a disastrous reverse in front of Ladysmith, their loss being estimated at 400 in killed and wounded. The British made a sortie last Friday into which the leading column was composed of colonial volunteers. They manoeuvred cleverly and deceived the Boers, drawing them from their positions. Then the British regulars fell on the Boer flank and drove them back with great slaughter. The ground was strewn with Boer wounded and slain and their lines were completely disorganized."
WAR NOTES.
The New York World's last cable from Lieut. Churchill before he was taken tells of the arrival of 500 Boers at Chieveley.
A Pretoria special says a second big gun has been got into position at Ladysmith and is proving very effective against the town.
Kimberley and Ladysmith are both to be relieved before any plan for a general advance is put in force.
The admiralty reports Capt. Lambton, of the Powerful, at Ladysmith, Under the rules of the service he had no right to leave his ship, and it is singular, therefore, that he has been for weeks 189 miles inland. Lambton was formerly with Gochsen's private secretary in the admiralty and is possibly privileged.
\$7.50, \$10, \$12, and \$15 are the prices at The 2 T's for New Method Suits and Overcoats.

WOUNDED AT ESTCOURT.
Estcourt, Nov. 16.—A correspondent who has just visited the Sanatorium hospital says that the armored train wounded are doing well.
Capt. Wylie, in an interview, said Sergt. Todd deserves special mention for having surrounded him with boulers to protect him from the rifle fire when lying helpless and wounded. Tod even lay down beside the officer to cheer him up. A shell landed among the protecting boulers, spattering
