NKWCASTLE, MIRAMICHI, N. B.

WEDNESDAY, NOV'BER 12, 1879 POLITICAL INCONSISTENCIES. Consistency has very appropriately been termed a jewel, for the simple reason, we suppose, that it is one of those things very hard to find, especially in the political world. How very regrettable is it to see men of rare ability abusing the talents entrusted to their keeping by of life-" My son, get money honand power, but they are not very particular as to the means employed. so much of inconsistency as in the friends particularly showing themsheets of the same feeble calibrefrom the leading daily newspape:s of the Dominion, whose mission it is. lic opinion. For instance, the To and yet this was the man who received the support of the Globe. cating the justness of the duty on that section of country, then it is
