It is a noticeable feature of our national legislation that Congresses are frequently willing to be parsimonious in directions in which there is no prospect of making party capital by being extravagant. There is a great deal of ordinary, every day human nature in Congresses, and doubtless a microscope combustion. When the purity of the would disclose some of it in Mr. Holman That Hon. Roger Q. Mills has not

been converted to the Springer plan of tariff reform, is evinced from his speech to the New York Reform Club. During the course of his remarks the Texas statesman took occasion to express his strong disapproval of the present state of affairs. He said for some reason, number of Harper's Weekly, published Februs In another section of his speech Mr. their homes. Gov. Lay has ordered Whitney. David Whitney, John C. Risteen, Edward Way, Thomas Lawrie, Alex. Mullin, Ww. Campbell, Joseph Sobie, jr., James Madder Edward Vice.

If this treatment should prove public buildings and other Federal generally successful, millions would rise patronage. Mr. Holman proposes to cut up and call her blessed; for aside from appropriations all around. Undoubtedly its goodly effects in the land of snow and nany of them cannot be reduced at all, woe, 'twould assure them that there can

QUEBEC, February 11 .- A mandament signed by all the bishops of the province will be read on Sunday, in the Catholic churches of the province. The document is aimed at bribery, which is so prevalent at elections. In the case of the penitent having accepted a bribe for his vote, no absolution will be given at confession, but the matter will have to be submitted to a higher ecclesiastical

authority for investigation. GUTHRIE, O. T., Feb. 10 .- The scenes witnessed at El Reno during the past 48 nours outrival anything ever seen in this territory. The town was entirely at the mercy of vandals. The court officers which he did not attempt to explain, joined in the wild rush for claims, and tariff ref rin had received a serious set-back. This probably had reference broken into and prople lriven from Mills heaved a large-sized brick into the troops to the scene and Secretary Noble
