## MUSIC AND THE DRAMA

Vanderville, of the laugh, compelling  
kind is served up by George B. Reno and  
company at the Bennett house this week.  
The audience must laugh; there is no  
help for it. The company comprises a  
grotesque quartette and a young woman.  
The latter, of attractive appearance and  
graceful, makes a pleasing impression  
in a song and dance. The quartette made  
up a tall, gaunt skeleton, who towers  
above a tiny dwarf, a fat man of un-  
usual proportions, and the captain of  
the company is a "riot." They give a  
ridiculous travesty on a military drill,  
the wall seating, resulting in the fort  
tumbling over with the "company" tangle  
and twisted above and beneath it.  
The act goes especially well this week,  
because preceding it is the spectacular  
military offering of the International  
Zouaves, who give a remarkable perfor-  
mance. A number on the bill that is cer-  
tainly well worth seeing is the amusing  
farce in which Thomas J. Ryan and Mary  
Richfield are appearing. This clever pair  
made a very favorable impression at the  
Savoy, and the warm welcome they re-  
ceived this week shows that vanderville  
patrons have not forgotten them. Mr.  
Ryan's bright sketch is a good illustration  
of the fact that clean, healthy, en-  
joyable fun making, even when it is  
merely farce, is appreciated. Ryan is  
an Irish comedian of marked ability, and  
his pretty partner is seen to advantage.

### KNOWLES' LECTURE.

The second illustrated lecture by R. G.  
Knowles was given in the Grand Opera  
House last evening before a smaller au-  
dience than the first night, but which,  
however, showed its appreciation by  
hearty applause. It is not surprising  
that Mr. Knowles has won a warm place  
in the hearts of the people on both con-  
tinent, for his talks are interesting and  
instructive, and his slides and moving  
pictures are excellent. The lecturer at  
opening took his hearers to the west  
coast of Scotland and described the  
people as cultured and deeply religious.  
They were keen on advertising, and some  
went so far as to utilize tombstones for  
this purpose. The picture caused much  
laughter. Beautiful slides of Balmoral  
Castle, Fingal's Cave, the Wallace monu-  
ment and a statue of Robert Bruce, erect-  
ed in 1813 at Stirling, were interesting.

RALPH SMITH AND WINFRED BURKE.  
Who will be seen in Parsifal at the Grand on Saturday afternoon and  
evening.

of an American girl who has as an in-  
imate friend the ruling prince of an  
ideal state. In her effort to reach  
her friend she is aided by a band  
who have been expelled from a neigh-  
borhood but hostile people. Among them  
is the exiled Prince Danton, who mas-  
querades as "Baldos, the Montebello,"  
and whose love carries him through  
many hard and ticklish places. In the  
end the problem is solved and Baldos  
resumes his proper place as Prince Dan-  
ton and claims the girl he loves.

The company is excellent. Miss Jas-  
sie Burley as the American Girl, who  
is perforce compelled to assume the  
role of the princess, revealed a fine  
artistic quality that was more than  
equal to the demand made upon it.

### ORGAN RECITAL.

W. H. Hewlett will give the closing  
organ recital for the season in Caten-  
ary Church on Saturday afternoon next,  
May 1st. Miss Estelle Carey, soprano,  
and Frank Blachford, violinist, will be  
the assisting artists, and the programme  
will be devoted entirely to the composi-  
tions of Grieg.

### FENBERG STOCK COMPANY.

The Fenberg Stock Company will open  
a five nights' engagement at the Grand  
next Tuesday evening, with "At Piney  
Ridge" as the opening bill. During the  
engagement, "The Millionaire's Re-  
venge," "The Life of an Actress," "The  
Hawk and the Dove," and "The Pink-  
erton Detective," will be presented. The  
only matinee will be Saturday.

## BINBROOK.

City Men Spoke at Laymen's  
Missionary Meeting.

A joint banquet, under the auspices  
of the Baptist, Presbyterian and Metho-  
dist Churches of Binbrook was held last  
evening in the Methodist school room,  
Binbrook, and was well attended by the  
men of the respective churches. Rev. W.  
Prudham, a returned missionary from  
Japan, occupied the chair. Mr. Dobbin,  
Presbyterian, Mr. J. H. Robins, Metho-  
dist, and Mr. John Moffat, Baptist,  
addressed the meeting. At the close  
each denomination had a separate  
meeting and appointed committees to  
canvass their respective members and  
further the missionary work. Good re-  
sults are looked for as the outcome of  
the meeting. The ladies of the church  
exceeded themselves in the sumptuous re-  
past they provided after the meeting.

## ST. MATTHEW'S

Lady Entertainers Gave Last of  
Season's Socials.

The last of the series of social even-  
ings given by St. Matthew's Young Lady  
Entertainers took place before a crowd  
of audience on Tuesday evening, and  
the director, Mr. Martin Cleworth, in-  
stead of the time-honored Mr. Cleworth,  
in his wide experience and resource into  
play, and no finer example of a judicious  
and splendidly varied entertainment season  
could have been given.

### PRIZES AWARDED IN DIARY CONTEST.

After a most difficult task, due to  
the high standard and neatness of the  
large number of diaries submitted, the  
judges of the Dr. Chase Calendar-Al-  
manac competition, Mr. J. F. MacKay,  
Business Manager, The Globe, Mr. Geo.  
E. Scroggie, Advertising Manager, Mail  
and Empire, and Mr. Peter Rutherford,  
Advertising Manager, The World, have  
awarded the first prize of \$100 in gold  
to Mr. Robert Hazelton of Todmorden,  
Ont. There was so little to  
choose between the winners of the first  
and second prizes that the most careful  
inspection was necessary before a de-  
cision could be made.

The following is a complete list of the  
prize-winners: 1st, \$100 in gold, Robert  
Hazelton, Todmorden, Ont.; 2nd, \$50  
in gold, John Jacob Brodhead, Ont.;  
3rd, \$25 in gold, Mrs. James E. Poole,  
Aitken's Ferry, P. E. I.; 4th, \$5 in gold,  
Mrs. Joseph Cass, Armstrong, B. C.;  
5th, \$5 in gold, Mrs. William A. Watt,  
Box 41, Alexander, Man.; 6th, \$5 in gold,  
John P. Marnell, 14 Barnes Road,  
St. John's, Nfld.; 7th, \$5 in gold, Mr.  
and Mrs. H. B. Bickler, Box 48, Kayan,  
Que.; 8th, \$5 in gold, Mrs. (Capt.) A.  
McNutt, DeBert Station, N. S.; 9th, \$5  
in gold, Miss Bessie E. Ross, Box 208,  
Mount Forest, Ont.

That the interest in this great con-  
test is rapidly increasing is shown by  
the large increase in the number of  
diaries submitted over that of last year  
and by the many requests received for  
the Calendar-Almanac of 1909. If any  
one has not received one of the 1909  
diaries, Edmondson Bates & Company of  
Toronto, Ont., will mail one upon the  
receipt of name and address.

### Reflections of a Bachelor.

People are naturally so honest that  
they seldom think they have to live  
up to it.

Spring poetry is as green as new  
vegetables, but isn't worth the money  
they way they are.

A woman can be a great deal hap-  
pier not knowing things than a man  
can thinking he does.

Most of a man's troubles in this  
world comes from his trying to make  
it for other people.

A girl has such an imagination she  
can think she is in love with a man  
when what it is that she isn't in  
love with somebody else.—New York  
Press.

### Shore Revenue Cutters.

Dr. Madison Peters, discussing the ex-  
travagance of a New York debutante's  
coming out party, said:

"Such girls don't make very economi-  
cal wives. It must have been a girl  
brought up in that manner that I heard  
two young naval officers talking about.  
"What a dear little craft your wife  
is," said the first.  
"Dear," said the other. "Rather! I  
call her my revenue cutter!"

## LUCKY MR. BROWN.

If it had not been for Fruit-a-tives,  
Mr. Lemuel Brown, of Avondale, N. B.,  
would still be living on stale bread and  
porridge, and suffering tortures with in-  
digestion.

His stomach was so weak that he had  
to give up all kinds of meat, potatoes  
and other vegetables, and even deny  
himself the comforts of a cup of tea.  
Fortunately, Mr. Brown read about  
"Fruit-a-tives," bought a box and was  
so much improved by taking the tab-  
lets, that he used four boxes altogether.  
"I have been a great sufferer from in-  
digestion for fifteen years. About  
two years ago, I read about Fruit-a-  
tives and concluded to give them a  
trial. I used nearly four boxes of  
"Fruit-a-tives" and they have made me  
feel like a man. I can eat all kinds  
of hearty foods and enjoy tea and cof-  
fee." This is not a rare case, but the  
regular experience of everyone who uses  
"Fruit-a-tives" for Weak Stomach, In-  
digestion and Dyspepsia. Try them, 50c.  
a box, 6 for \$2.50, or trial box, 25c. At  
dealers or from Fruit-a-tives Limited,  
Ottawa.

Rifle Association was held in the Armory  
on Tuesday evening, the President,  
Dr. Bertram, in the chair. The auditors'  
report, showing a balance of \$23.88, was  
adopted. The secretary's report was  
very full. He showed that the mem-  
bership was the highest in the history of  
the association, and that the fees from  
members, \$108, was also the largest.

He referred to the credit done by the  
town by the success of the Cadets,  
who won first place in the Dominion  
for the Cadet Rifle League, second  
place in Toronto for the Pellatt Cup,  
and first place in Ottawa in the Domini-

## A NEW WAY.

Children in Leash in the Park, Like  
Dogs on a Chain.

New York, April 28.—Children on  
leash was a novelty which attracted con-  
siderable attention in Central Park to-  
day. The little boys and girls were  
connected to the nurses who had them  
in charge, by chains not unlike those  
used for dogs.

The innovation is said to have come  
from Los Angeles and has been adopted  
here because of the danger of children  
running beyond the curb and the wheels  
of vehicles which crowd the park drives.  
The chains are about twice the length  
of an ordinary dog chain. One end is  
fastened to a belt around the waist of  
the child, while the other end is held  
by the nurse.

### GRIEF OF NOAH.

Webster was compiling the dictionary.  
"Simply that another man may get a dollar  
apiece for the words," he said.  
Herewith he reflected on the irony of fate.

## AT QUEEN'S.

Honorary Degrees For Profs. Ken-  
nedy and Barnard.

Question of Separation From Pres-  
byterian Church Discussed.

Kingston, April 28.—The sixty-eighth  
session of Queen's University was con-  
cluded this afternoon when the spring  
convocation was held in Grant Hall.

Four honorary degrees were conferred.  
Two of these were conferred on the  
names, Rev. Professor H. A. A. Ken-  
nedy, of Knox College, presented by Rev.  
Professor Ross for the degree of D. D.,  
and Professor E. Barnard, of Verkes Ob-  
servatory, Williams Bay, Wis., present-  
ed by Professor N. F. Dupuis for the de-  
gree of LL. D. The latter degree was  
also conferred upon Hon. Thomas H.  
McGuire, Prince Albert, Sask., formerly  
Chief Justice of the Northwest Terri-  
tory, whose name was presented by  
Principal Gordon, and upon Alexander  
Graham Bell, of Brantford, whose name  
was presented by Professor Cappon.

It is stated that Professor William  
Nicoll, of Queen's School of Mining, will  
present a gift of \$40,000 to the direc-  
tors of the school for the erection of a  
building on condition that he be given  
a certain annuity.

There is a likelihood that the ques-  
tion of separation from the Presbyterian  
Church will be reconsidered by the Uni-  
versity Trustee Board and that the mat-  
ter will not be pressed upon the General  
Assembly in the manner in which it was  
decided by the resolution of the trustees  
last October.

The most remarkable speech of the  
meeting was made by Dr. Edward Ryan,  
professor in Queen's Medical College.  
Dr. Ryan said he was a Roman Catholic,  
but he would rather see Queen's under  
control of the Presbyterian Church than  
that she should cut loose from it and be  
connected with no religious body.

## CURSED THE PRIEST.

Last Words of Wounded Holdup  
Man Were Vile Language.

Logansport, Ind., April 28.—Two hold-  
up men following the Hagenbeck & Wal-  
lace circus shot and fatally wounded  
Joseph Kroeger, a policeman, this morn-  
ing, but before falling Kroeger fired two  
shots from his revolver. One of the  
footpads was hit in the abdomen and  
died at Saint Joseph's Hospital later.  
The other fled, but was captured. The  
man arrested is Charles Pierce, of Scrant-  
on, Pa. It is believed he shot Kroeger.  
The identity of the dead man is un-  
known. While he was in the hospital,  
doctors, sisters and priests endeavored  
to get him to make a statement, but he  
only cursed in reply. When he was dy-  
ing, a priest made a last appeal to the  
man to tell his name, but his relatives  
could not be notified, but the dying man  
shouted: "You go to hell!"  
Then, with a groan, he sank back in  
bed and died.

## LONDON CAMP.

Want Date of Opening Put Back  
Owing to the Weather.

(Special Despatch to the Times.)  
London, Ont., April 29.—Owing to  
the cold weather that has prevailed mil-  
itary men throughout the district have  
asked the Militia Council to extend the  
date of the opening of the London Camp  
from June 8th to June 15th, as farming  
operations have been delayed so that the  
men cannot get away to attend camp  
sooner. It is understood that the request  
will be granted.

## OPENED NAVIGATION.

Duluth, Minn., April 29.—The steam-  
er Troy of the Western Transit Line has  
arrived here being the first of the big  
freighters to reach Duluth from the low-  
er lakes this spring. Besides opening  
navigation between Buffalo and Duluth,  
Capt. Slattery with the Troy also open-  
ed navigation this season between Chi-  
cago and Buffalo.

### Jack Binns Decorated.

Paris, April 28.—The French Govern-  
ment has awarded a first-class life-sav-  
er's medal to John R. Binns for courage  
displayed when the White Star liner  
Republic was cut down by the steam-  
ship Florida off Nantucket last January.  
Binns was the Marconi operator on  
board the Republic.

The Ontario Dental Society will have  
an infirmary for the free treatment of  
the teeth of the poor.

## The Reason Why We Feel Tired

The system is overloaded with poison-  
ous waste matter.  
This may be the result of over-exer-  
tion or of derangements which are  
corrected by the use of Dr. Chase's  
Kidney-Liver Pills.

You expect to be tired when you  
have been working hard, for the activi-  
ties of muscles or brain cause a break-  
ing down of cells, or burning up, we  
might say, and after a while the system  
becomes clogged with this waste matter  
or ashes and you get tired.

But you are often tired when you  
have not been working hard and in this  
case the conditions are much the same,  
but the presence of the poisonous waste  
matter is due to the derangements of  
the excretory organs—the liver, kidneys  
and bowels.

Besides feelings of fatigue there is  
likely to be aching of the limbs, head-  
ache, pains in the small of the back  
and feelings of dizziness and weak-  
ness.

The filtering and excretory systems  
being clogged digestion is interfered  
with, appetite fails and you feel gen-  
erally miserable, out of sorts and irri-  
table.

Under such circumstances you cannot  
possibly do better than use Dr. Chase's  
Kidney-Liver Pills for they have a di-  
rect, specific and combined action on the  
liver, kidneys and bowels, effect prompt  
action and a thorough cleansing of the  
excretory system and restore healthful  
digestion.

There is no medicine of more frequent  
or effective use in the family than Dr.  
Chase's Kidney-Liver Pills, for they  
have no equal as a cure for constipation,  
biliousness, liver troubles and kidney  
derangements. One pill a dose, 25 cents  
a box, at all dealers or Edmondson, Bates  
& Co., Toronto.
