CUP HOLDERS ARE STILL OBJECTING.

Ottawa Man Has Notified the Westeras That They Must Pay the Money Without Further Delay.

OTTAWA, Oct. 26.—Mr. P. D. Ross, chairman of the board of Minto Cup trustees, has received from the New Westminster Club a letter protesting against being compelled to pay \$150 towards the expenses of Ald. Tom O'Connell, of Montreal, who went out to the coast to referee the Westminster-Tecumseh matches in July last.

who have no peers in the national game. For years the game, under the most trying circumstances, has been maintained at the very highest point of excellence, and the men who are responsible for this may be pardoned if they felt keenly, the probably unintentional, but none the less, real insult offered when their ability to handle a series of games was questioned, by the appointment of an eastern official.

GRIDIRON GOSSIP

London, Ont., Oct. 26.—London juniors lost to the Alerts, of Hamilton, in a fast game yesterday afternoon by a score of 15 to 1. Some bad fumbles by the locals were responsible for the results of the afternoon. The Alerts piled up their score in the second half, when the strong wind aided a punting game.

Hobart declared it a touchdown. Ottawa scored the winning point when only one minute remained to be played. In the first quarter College forced Ottawa to rouse twice. Ottawa got one rouge, and in the second quarter, when McCann made a miserable fumble of Gerard's long pass, College fell on it for a touchdown. It was 7 to 1 for College at half time.

Manager Joe Wright, of the Argos, says there is nothing to it but Hamilton for the Big Four championship.

Ottawa scored a touch by Phillips and another by Ferguson in the third quarter and had it 12 to 7 when the fourth started, and between them they fouled it, the ball being passed back over the Ottawa line. Muzanti fell on it and tied the score, but College missed the goal and then followed Ottawa's third lone at down, which gave them the city championship.

Manager Joe Wright, of the Argonauts, in speaking about the game at Ottawa on Saturday, stated that Ottawa had all the luck to win, the wind in their third quarter blowing a regular hurricane, and this was the period that Ottawa won the game in, while in the last quarter the wind dropped so that neither team had any advantage.

Ottawa had four juniors on and College were without O'Neill and two or three others. Play was loose throughout, both back divisions fumbling badly. All the touchdowns but the second scored by Ottawa, were pure gifts, the Ottawa backs being away of color. The crowd numbered about three thousand and the teams were as follows:

The tackling of Norettos in Saturday's game is said to have been the best ever seen at the capital, and Ottawa papers are loud in their praise of the Argos man. Green, the Argos' new half back, showed up strong, and his fast following up was responsible for Argos' only try. The team are out to beat Ottawa on Saturday, and they should on last Saturday's form.

The St. Patrick's were the only Hamilton team to meet defeat yesterday. They played St. Jerome's College, of Berlin, on the latter's grounds, and were beaten by a score of 29-8. Their opponents were much heavier, but at that the local boys gave them a hard game, and had they been in little better condition the result might have been different.

COMMENT AND GOSSIP

Tommy Stinson was struck by the form shown by some of the Tiger intermediates, at the game yesterday morning against the Argos seconds.

is Mazout Murat. Whether he is "terrible," "horrible" or just plain "unspeakable" the advance notices do not say. Gote's title appeals to Pierri just the same as the America cup appeals to Sir Thomas Lipton, or the soap to the baby in the bath tub. He won't be satisfied until he gets it.

The Tigers' chance of winning the championship of the Interprovincial look particularly bright now. It looks like a play-off with Varsity for the Dominion championship, and the Grey cup for Hamilton.

Hughy Jennings is said to have said that he would be satisfied with \$30,000 for next season, and when you take a conservative slant at it that isn't any more than they pay some bank presidents either. Of course, Hughy could have four or five months to devote to his private affairs. Considering the increased cost of living, \$30,000 is pretty modest.

Jeffries sent his message by wireless. This probably means a fightless battle with Johnson.

The accommodating goose which has been dropping golden eggs into the bank accounts of Philadelphia fight promoters is likely to have her neck twisted. On Wednesday night frantic lovers of pugilism buried bottles and other missiles at a fighter whose tactics didn't suit 'em. Next the police and no more scraps.

Salvator, the fastest running race horse the world has ever known, died at the Elmendorf farm, Lexington, of James B. Haggin, of New York, on Saturday. Salvator's world's record was 1:35 1/2, made in 1900 against time, to beat the record of 1:39 3/4. He was foaled in 1886, and was by imp. Prince Charlie, out of Salina, by the great Lexington. Salvator won \$120,000 on the turf.

INTERMEDIATES WALLOPED THE ARGONAUT SECONDS

Yesterday Morning at the Cricket Grounds by a Score of 16 to 1—Montreal Team Saw the Game.

The Intermediate Tigers upheld Hamilton's reputation yesterday at the Cricket grounds, when they defeated the pick of the Argonauts' juniors of Toronto by a score of 16-1. The game was a one-sided affair all the way through, and the local boys easily outclassed their heavier opponents in every department of the game. The play was in the visitors' territory nearly all the time. In tight places and at critical times the Argos showed form, generally managing to prevent scoring. The Argos' weak spot was their back division. It was of little use against such players as the Tigers, although they were a fair game, considering their experience and knowledge of the game.

The Argos' back division was composed mainly of local boys. Gallif was the only man on the Argos back division who seemed to be effective. Argos' wing line was good, showing fine tackling. Thompson, on the outside, did some clever tackling, while the inside men held their own against the Tigers. The Argos, however, were weak on bucking. Thompson and Glassford, on outside, were continually in the limelight, never missing a tackle, and bringing their men down hard.

The Tigers' back division resembles something like the Seniors. The Tigers did a lot of bucking, but the only one who seemed to make any headway was Clark. At different times he wiggled through for short gains.

McKay, at quarter, played well, handling the team like an experienced general. The whole team showed the best form of the season, and while the boys feel the loss of several of their best players, the team that played yesterday was nearly equal to last year's. There was only a handful of spectators present, but the Montreal team, with Manager Lazier and other Tiger officials, were on hand. The teams lined up as follows:

JEFF AND JOHNSON MEAN BUSINESS.

At Least That is the Opinion of New York Sporting Men—The Big Smoke Will Not Fight in Australia.

NEW YORK, Oct. 26.—That James J. Jeffries and Jack Johnson both mean business, sign articles of agreement for a fight without much haggling over details is the conviction of New York sporting men who have seen and talked with the pugilists during the past few weeks.

Jeffries spent most of today in chats with visitors and friends, but to-morrow he plans to visit a gymnasium for a thorough workout.

Chicago, Oct. 26.—In discussing the proposed fight last night, Johnson said that no terms would be offered from his side. "We will listen to what Jeffries has to offer," said Johnson, "and if his ideas are not unreasonable it will not take ten minutes to fix up the arrangements. We want nothing unreasonable—just a fair fight for both sides."

There is one thing I am against, and that is any bids for the fight in Australia. I will never fight over there again after the treatment I received. The fight must take place either in this country or in England, and I am sure the bidding here will be stronger than anything England could offer.

HAMILTON BOWLERS WON THE MATCH.

A friendly inter-club match was played at the H. B. & A. Club on Saturday night, when the Toronto Bowling Club sent up a team of six "star" bowlers in an attempt to lower the colors of the locals. Some splendid bowling was the result, and Toronto failed to take any scalp home, although they were only beaten by 7 pins in the three games.
