WHO IS MRS. WINSLOW.

Teachers' Parliament,

As this question is frequently asked we will simply say that she is a lady who for upwards of thirty years has untiringly spent her time and talents as temale Physician and nurces, principally temale Physician and physician an untiringly spent her time and turces, principally temale Physician and nures, principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrup, for children teething. It operates like magic—giving rest and It operates like magic—giving rest and health, and is moreover, sure to reguhealth, and is moreover, sure to regu-late the bowels.
