OBITUARY.

We regret to record the death of Mrs. Mary Saunders, wife of Mr. Jas. Saunders, shipwright, which occurred at noon yesterday after a very brief illness, at her residence, 13 Flower Hill. The deceased succumbed to an attack of paralysis of the brain. Mrs. Saunders was the eldest daughter of Mr. Jas. Coady, supervisor of the premises of A. Goodridge & Sons, and a sister of Mr. Nicholas Coady, the well known grocer of Duggan Street. The deceased leaves a husband and 4 children to mourn the loss of a kind wife and loving mother. To the bereaved family and relatives the Telegram extends its condolences.

The Police Busy.

The police had a busy time of it yesterday afternoon and night, and by 8.30 had no less than 10 prisoners jailed. One man was brought in for sneezing the windows in his father's residence on Prospect Street; another, an offender, drunk and disorderly, had to be handcuffed and driven to the station; two brothers refused to move from a corner on Water Street West and were run in; the rest were locked up for being drunk and creating a disturbance on the streets. Several of the prisoners had bottles and flasks of liquor in their pockets.

Labor Day Souvenir.

A prettily printed and very interesting brochure printed and published by Mr. James H. Nichols, of the Telegram, makes a neat little souvenir of Labour Day, 1911. It had a very attractive and artistic appearance, is replete with matters of interest to workmen, and will receive a large circulation. Mr. Nichols is distributing this bright little literary venture of his free gratis, and all who read it, by it is well worth perusal. It is called the Workman.

Indigestion & Dyspepsia

In all its forms can be cured. It is quite a daily occurrence to hear persons say: "Oh, what a feeling of distress I have after meals, fullness of the stomach, heartburn, and aching, I feel too tired to do anything. I have no heart to exert myself and at times I care for nothing. I often have a feeling of fullness, no appetite, my heart beats rapidly on the slightest exertion. I feel just as tired when rising in the morning as when retiring to bed. My sleep is often disturbed, and I often awake with a sense of suffocation and a difficulty again going to sleep. I have to be careful of what I eat, and my life seems a veritable burden. Now, it seems a shame and a pity for persons to be suffering like that when it is in their power to get cured by taking a Bottle of Dr. Stafford's Prescription. A sure cure for persons afflicted with stomach troubles. It can be obtained at DR. F. STAFFORD & SONS, Duggan Street and Theatre Hill. Small size, 25 cents; postage, 5c. extra; large size, 50 cents; postage, 10c. extra. Mail orders must be accompanied by remittance—Oct 129, 11.

ARRIVED WITH HERRING.—The schr. Nina L. Capt. Kennedy, arrived and brought up 500 barrels herring from Twillingate yesterday. She arrived there a few weeks ago with salt, to Crosby & Co. She had thick fog all the way to port.

Tells Others His Secret

Wants them to know how he was cured of itching, pruritus, piles by DR. CHASE'S OINTMENT. Doctors usually recommend the knife as the only cure for piles. They overlook the risk, the expense and the suffering of mind and body entailed in a surgical operation. Dr. Chase's Ointment will bring relief quickly and will cure thoroughly if you will but persist. Mr. A. Honington, 52 Broadon Place, Montreal, Quebec, writes: "I cannot help praising Dr. Chase's Ointment as I suffered many years with itching and protruding piles, and was cured by this ointment. I became tired of the efforts of the best specialists to cure me, and, hearing of Dr. Chase's Ointment just as I had of hundreds of other medicines began its use. But oh, great joy, at the very start the sharp pains left me and I was gradually cured. I hope that every sufferer will follow my example with the same success. Every form of piles or hemorrhoids is cured by Dr. Chase's Ointment. 60 cents a box, at all dealers, or Ed Manson, Rates & Co., Toronto."

League Football C.E.I. Defeat Star.

The Star and C. E. I. met in the 11th League Football Match on St. George's Field, when the Stars met a signal defeat at the hands of their opponents. There was a good gathering of spectators, and the teams lined up as follows:
Star—Clare, goal; Hart, Sullivan, backs; Kavanagh, T. Jackman, Duggan, halves; Morgan, Brien, Power, Adams, R. Jackman, forwards.
C. E. I.—Hayter, goal; Hussey, Hunt, backs; Stick, Hallett, Godden, halves; Oliver, James, Drover, Smith, Harris, forwards.

Winning the toss the Institute boys played the western goal, and at the start the Stars made one of their determined rushes west but were blocked, and the C. E. I. retaliated by getting fast and for a while were busy on the Stars goal. The Stars now went west and Morgan made a nice shot but it went wide, after which the C. E. I. got the ball east, doing some nice combination play, when Oliver made a nice shot and putting the ball in the twine scored "first blood" for C. E. I.

The Institute boys were now repeatedly on the Star goal but the backs kept them from scoring. Harris now watched an opportunity and sending in a hot one Clare struck it out but it fell near Smith who landed it in the net scoring No. 2 for C. E. I. The Stars now worked hard to retrieve their loss and were repeatedly on the C. E. I. goal, but Hayter and the back division were impregnable and no further scoring was done, the teams crossing: C. E. I., 2 goals; Star, 0.

HALF TIME.

In the second half the Church Institute team again showed to advantage, and getting west kept Clare in goal busy. They made several good shots, and soon afterwards the Stars bucked up, made repeated attempts to score but without success; several corners were secured by them and well placed, but the C. E. I. backs cleared splendidly and rendered scoring impossible. Both teams put up some fine play for the last fifteen minutes of the half but no more scoring was resulted and the game closed: C. E. I., 2 goals; Stars, nil.
