LIPTON'S ESSENCE OF COFFEE & CHICORY

WAS THE FIRST of its kind, and still remains FIRST in its kind.

Four Reasons for its popularity are:

- 1--High Quality.
- 2--Delicacy of Flavour.
- 3--Simplicity of Making.
- 4--Low Price.

A trial will convince anyone who may not have previously used it.

BOVRIL IS ALL BEEF.

Questions we are often asked.

Q.—What is the sediment at the bottom of a cup of Bovril?
A.—That is a valuable portion of the nourishment, and should never be left.

Q.—Are you serious when you say that Bovril is more nourishing than ordinary Meat Extract or Home-made Beef Tea?
A.—Certainly! and we have for years offered large rewards to anyone who can prove the contrary.

Q.—But can you prove your statement?
A.—Yes—from the pen of Baron Liebig himself, who told the world that the man who managed to get the nourishing, as well as the stimulating properties of Beef in a liquid form, would produce something far better than Liebig's Extract, and would be a public benefactor.

Q.—And you have done this?
A.—Yes. By a special process, the entire nutritious constituents of prime ox beef are separately treated, pulverized and added to specially-prepared Meat Extract, and that is Bovril.

Don't experiment with artificial imitations of dubious quality (which are dear at any price) when such a tried and proven nutritious food beverage "made in England" is within your reach.

There's SOLID Comfort IN A CUP OF TEA.

Well, that depends.

And it all depends upon the quality of the tea. If the Tea is flat and flavorless—no comfort.

But—if it has a deep golden brown color in the cup,
And—a fine, rich, satisfying flavor,
Then, you are sure of your solid comfort.

OLD HOME TEA combines a deep, golden brown color with a fine, rich, satisfying flavor, and full body in the liquor.

If you steep Old Home Tea carefully and according to directions enclosed in each packet you will surely get solid comfort and rare enjoyment.

One Cup Means Many More.

For sale at all Grocers.
