USE BEAVER BOARD!

If your new home is ready for walls and ceilings, or if you have some remodelling to do, don't wait for spring to plaster, but use BEAVER BOARD right now. BEAVER BOARD takes the place of lath and plaster; it may be decorated at once with paint in oil or water color and the house can be occupied at once.

BEAVER BOARD will not crack and never needs replacing. It is used for every class of building—home, store, office, &c., wherever you want durable, artistic, sanitary walls and ceilings.

We will show you how you can use BEAVER BOARD for your building or remodelling. Call, write or telephone.
