SATURDAY, July 28th, 1917.

Immediate Action Imperative.

Business Profits Tax which the Government is endeavouring to force uftion and crass ignorance threaten it. If that peril were seen in its full extent and ugliness, the protest would be immediate, universal and overwhelming. It must be all three if it is to be effective.

It is, however, not a little encouraging and a welcome surprise that the per lb., at ELLIS'S. first articulate objection has come from a quarter where we did not first expect it. The Industrial Workers Association has placed on record its dis- wind and fine. approval. Though none of the members of this large body is directly affected by the proposed tax, they have been quick to see how vitally they operation. We have followed with Brigus Junction, is at present in the close interest the activities and rapid city on a few days' vacation. growth of this important body and welcome them as a much needed expression of labor sentiment and opin- outgoing express arrived at Port aux ion. More sound sense and practical Basques at 7.45 p.m. yesterday. Towisdom has come from half-a-dozen of day's mail and freight left Port aux its meetings than would mark a year-long session of our "National" Government. We have admired particularly its practical interference in the attempt of the Government to shelve the problem of the high cost of living. Its members have seen through the transparent tactics, the put-it-onto-someone-clse method by which the Government has turned the reasonable popular outcry into mere sound and fury, and the clothes and the problem of the downward of the problem of the high cost of living. Its members have seen through the transparent tactics, the put-it-onto-someone-clse method by which the Government has turned the reasonable popular outcry into mere sound and fury, and the clothes which allow the greatest freedom of movement are the points that will weigh with the judges."

Another Drowning.—The following message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message reached the Department of Justice to-day from the lowing message to the lowing message the lowest clothes real-lowes the fewest clothes real-lowest clothes real-lowes the mother. The signifying nothing. Nothing, that is, ment of Justice to-day from the and provincial centres is tremendous. except lucrative jobs for a few Government nominees.
