Another Unilectric System!

We have recently finished installing one of our Unilectric Plants for Fred Ayre, Esquire, in his country residence at Murray's Pond.

Owing to the fact that the Unilectric machine produces a standard 110 volt current (the same that is used here in St. John's), Mr. Ayre is able to light 4 buildings, a considerable distance apart, without loss of power and without the use of extra large wires. They are also able to use standard electric iron and electric vibrator; also any lamps or fixtures handled in St. John's.

The grounds are also lighted with powerful lights on poles. The interior of the bungalow has been lighted according to Mrs. Ayre's direction with drop lights, wall brackets and table lamps with coloured shades to harmonize with the walls and furniture. Mr. Ayre has now the most beautifully lighted country residence in Newfoundland.

We have now 4 Unilectric Plants in successful operation in Newfoundland. Any one interested in country lighting has abundant opportunity to satisfy themselves that the Unilectric has no rival.

Perhaps the strongest feature about these machines is the fact that they do not have to depend on storage batteries, but a small cheap battery can be connected at any time to be used in case of emergency. However none of our customers have found it necessary to do so.

We are also agents for 3 different makes of battery lighting systems and can furnish anything required in this line, but we do not claim that they could compare with the Unilectric.

Is It Your Boy?

IS IT YOUR BOY THAT IS ALWAYS HARD ON HIS CLOTHES?

Is it your boy that will climb trees and fences and leave part of his clothes there?

Is it your boy that slides for third base and will do considerable of the sliding on the seat of his pants?

ANYHOW HE IS A REAL BOY, BLESS HIM.

But he'll be wanting a new Suit, or at least a new pair of Pants. Still he is worth it these times. But a lot of money is being asked for Boys' Clothes to-day, and the boy may be blessed when prices are mentioned.

We have thought of that, so we say,—
We can give you

BOYS' SUITS

At Most Reasonable Prices.

But in many cases it will not be necessary to buy a whole Suit, as the boy has only worn out his pants (it will be extraordinary if he hasn't).

WE OFFER THREE GRADES OF BOYS' PANTS.

These are our Prices:—
Sizes 2 3 4 5 6 7 8 9 10
Grade 1: 1.30, 1.35, 1.40, 1.45, 1.50, 1.55, 1.60, 1.65, 1.70
Grade 2: none, none, 1.65, 1.70, 1.75, 1.80, 1.85, 1.90, 1.95
Grade 3: none, none, 2.00, 2.10, 2.20, 2.30, 2.40, 2.50, 2.60

We advise you to see the best quality ones early, as we cannot repeat them owing to the impossibility of getting materials.

The proper care of wet shoes

The high cost of shoes makes it imperative to use every means to make them last as long as possible. Moisture is their worst enemy. It dries and cracks the leather, ruins their shape and shortens their life of wear.

You can save yourself many a dollar by using "Fitall" Shoe Trees in your shoes. They not only immediately restore them to their original shape, but make your shoes wear longer and give you infinitely greater comfort.

MINARD'S LIMENT RELIEVES NEURALGIA.

Day by Day Warner's Rustproof Corsets

are winning friends for our Corset department. Are you one of them, or have you got to wear one of these famous Corsets to realize the comfort, style and service that they give?

What a satisfaction to know when you purchase your Corset that it will wear out only with time—not because it is faulty in fabric or bone, or off in cut. Of this you are confident when you buy a Warner's.

The shaping and comfortable fitting are assured through your selection of the right style for you,—and there is one.

\$2.00 per pair up.
