THE WILL.

There comes a time in the life of every man when he must leave his worldly possessions to the care of another. In anticipation of this, therefore, the first obligation resting on an individual who is possessed of property is the making of a will and this should be done before the capacities become impaired by time or the ravages of disease.

A Friend of Ours Was Horrified
When we told him what he would have to pay for a **DUNHILL PIPE** yet in the course of a short conversation he told us that he had burnt out three pipes of ordinary make in five months, and the one he had in use was showing signs of rapid deterioration.

He is now a confirmed Dunhill enthusiast.

STEWART'S Home Made Bread,
THE BREAD MY DADDY LIKES.

Daddy is evidently not one of those back number lords of creation who believes that woman's place is in the home—and only there. His taste in a wife is an up-to-date woman who will prove herself a real companion. He knows that if she is a slave to her kitchen she can't enjoy the poise or have the interest in world affairs that a little extra leisure would make possible; and so he is pleased to eat MRS. STEWART'S HOME MADE BREAD—the loaf with the home made flavor.

The smiling, well-nourished kiddie doesn't look as though suffering because mother is progressive enough to buy good bread made by a bread specialist, instead of wearing out her life in the kitchen.

Eat Stewart's Home Made Bread.
