

## WALL PAPER OPENING

SATURDAY, MARCH 25, 1905.

We hold our annual Wall Paper opening on the above date and cordially invite you to attend.

## Grand Prize Wall Papers

We have, by special arrangements with the manufacturers, secured part of the exhibit, which won the world's grand prize at the St. Louis exhibit. These are of course the finest papers and the newest styles in America, well worth your trouble to come miles to see.

## Newest Styles

We have procured from New York, Philadelphia and Montreal, sample rolls of the latest styles and best productions, of one maker in each of these cities. These samples will also be on display.

## Our Stock

And lastly we have taken the trouble to mount on canvases many of the best designs from our well selected stock which we think when compared with the above samples will prove our contention that the stock we carry here is new, stylish and good in value. We won't take a back seat for any of 'em.
