SEVEN BIDS MADE

For the Government Building at the World's Columbian Exhibition.

eral H. C. Raikes, who was just recov-ering from an indisposition, went out welking yesterday when he received a severe electric shock during a thunder storm. He was immediately taken home and medical assistance sum moned. Illness had, however, so exhausted the Postmaster-General, that his strength was insufficient to enable him to meet the sudden and terribly exacting demand thus sudden and terribly exacting demand thus sudden and terribly exacting demand thus sudden and terribly exacting form **Russia at the World's Fair.** Sr. PETERSBURG, Aug. 24. —Ex-Congress-

ST. PETERSBURG, Aug. 24.-Ex-Congress

cutters Rush and Corwin are around these islands." man Butterworth, of Ohio, Major Moses P. Handy and Mr. F. W. Peck, members of the Columbian Fair Commission, have had a satisfactory interview with the minister for foreign affairs, M. D. Giers, and with the minister of finance, M. Nishnegradsky, up-ou the subject of Russia's participation in the World's Fair in 1892. Both ministers assured the American commissioners that they would co-operate in the heartiest man-ner in the coming exhibition, and promised that Russia upon this occasion will surpass her previous international exhibitions.

Mothers and Nurses. ALL who have the care of children should know that Dr. Fowler's Extract of Wild Strawberry may be confidently depended on to cure all summer complaints, disrrhosa, dysen-tery, cramps, colic, cholera infantum, cholera morbus, canker, etc., in children or aduits.

YALE, B.C., Aug. 24.-The Hudson's Bay Co.'s dwelling house here was totally to it.

to. a owening nouse here was totally destroyed by fire at an early hour, this morning. The dwelling was occupied by the clerk of the company and his family, who all escaped unhurt. The fire is be-lieved to have started in the kitchen. It was only by great efforts of the citizens that the fire was confined to one-building. The loss is estimated at \$3,000, believed to be martially covered by insurance. The hours

partially covered by insurance. The house was considered the finest in the town. NATAINO.

NANAIMO, Aug. 24.—The real estate assessment of this city is \$1,090,564. J. J. Blake & Co., barristers, have opened branch offices in Northfield and North Wel-

WASHINGTON, Ang. 24. —Bids were to-day opened at the tressury department for the erection and completion of the United States government building at the Worlds Columbian exhibition in Chicego. Those who bid for the entire work were: David Evans of Philadelphia, \$602,634; J. M. Rice of Chicago, \$434,850; E. F. Cobel of Chicago, \$775-1000; Northwestern Construction Company of Chicago, \$495,405; J. L. Leach & Son of Chicago, \$495,405; L. L. Leach & Son of Chicago, \$495,405; L. L. Leach & Son of Chicago, \$495,405; Dest Construction Company of Chicago, \$495,405; Dest Construction Company of Chicago, \$3660,000.

will leave, in a couple of days, on a visit to one of his sons, who is interrested in the

ranching business in the Northwest. The noble Lord takes a lively interest in the Northwest and all matters appertaining

Mortality on a Cattle Shin MONTREAL, Aug. 25 .- A cable, to-day, brought news of very heavy mortalityamon the cattle on the steamer Loch Lomond which servived at Dundee from Montreal which serived at Dandee from montrear. The steamer met with a heavy gale, and no less than 121 of the cattle perished on the voyage, while the remainder of the stock was landed in a very bad condition.

Ashore on Anticosti MONTREAL, Aug. 24 .- News was receive

here from the lighthouse keeper at West

here from the lighthouse keeper at West Point that the schooner Ellen and Mary went ashore in a dense fog before daylight yesterday monning on the island of Auti-costil. The schooner, besides a crew of seven on board, had 60 passengers, mostly women and children. Only one boat was smashed, but if the threatened storm breaks, pro-bably all on board will perish.
