PANIC IN MONTREAL

PARIS, March 15.—There was a panic this afternoon on the stock exchange over rumors of heavy failures impending here in entirely new lines from any heretofore affected. The produce export trade, it is said, has met with such serious losses in butter that two firms are said to be embarrassed. As their credit has hitherto stood very high it is thought they will receive sufficient support to continue. The leading bank is the most embarrassed, especially, particularly in one of the firms. Two extensive wholesale grocery firms are also said to be embarrassed, but up to business closed this afternoon no assignments had actually occurred.

PARIS, MARCH 15.—THE RUSSIAN GOVERNMENT HAS PROPOSED TO ORDER THAT AN INTERNATIONAL DETECTIVE FORCE BE ORGANIZED TO COPE WITH ANARCHISM, HOMICIDE, FEMINISM AND SOCIALISM.

PARIS, March 15.—The Russian government has proposed to order that an international detective force be organized to cope with anarchism, homicide, feminism and socialism. France, Switzerland, and Austria have acquiesced in the proposal. The government will prosecute the anarchist organ Olympe. Fifteen anarchists visited the office of the Intendant and attempted to compel Henri Rochefort, the editor, to insert a note in the paper denouncing his report of the riot of Friday last. The government has protected the premises, although Rochefort declined their services. Explosives were found in the house of one Fouquet, who has been arrested. It is expected information touching the doings of the anarchists more vital than any Louis Michel could furnish will be obtained from him. The government are expected to expel, upon completion of their sentences, all foreigners convicted of implication with the anarchists. There has been further disturbances among the students of Lyons. Louis Le Grande and forty of the scholars have been expelled. Four anarchists, including two members of the press, have been sentenced to two years imprisonment for delivering seditious speeches.
