

AFTER SUFFERING YEARS

Cured by Lydia E. Pinkham's Vegetable Compound

Fox Creek, N.B.—"I have always had pains in the loins and a weakness there, and often after my meals my food would distress me and cause soreness. Lydia E. Pinkham's Vegetable Compound has done me much good. I am stronger, digestion is better, and I can walk with ambition. I have encouraged many mothers of families to take it, as it is the best remedy in the world. You can publish this in the papers."—Mrs. WILLIAM BOURQUE, Fox Creek, N.B., Canada.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

Teachers Appreciate the Canadian Government Annuities Scheme.

The teachers in the public schools must as a rule, themselves provide against the day when their age or infirmities will demand their retirement from their profession, and many, it is understood are alive to this fact and are taking advantage of the provisions of the Government Annuities scheme to secure a competency for later years. The number doing so is perhaps small in proportion to the large number engaged in teaching, but it must be borne in mind that the Annuities idea is new, and that the attention of the school teachers has only been recently specially directed to it. Many might follow the example of a woman in one of our cities. She was 43 years of age, had no heirs, and her salary over and above her weekly expenditures was laid away to keep her in the days when the shadows began to lengthen. She had saved \$1,000. It was drawing 3 per cent. compound interest, or increasing at a little better than \$30 a year. She heard of the Government Annuities scheme, and she immediately transferred her \$1,000 to the Government on account of the purchase of an Annuity payable at age 60. Having no heirs she purchased on plan "B," and the Annuity which a payment of \$1,000 secured for her at 60 was \$222.60. But shortly after her \$1,000 had been paid to the Government she became an invalid and was totally incapacitated from performing her duty. Her case came under the provision of the Act which pro-

vides that if invalidity or disablement occurs a person, if he or she has paid in sufficient to secure an Annuity of not less than \$50, may draw the Annuity though then under 52 years of age. The payment which she had made gives her an Annuity of \$69.67 so long as she may live. If the period before she became disabled had been 5 years she would have had an Annuity of \$88.50, and at 55 she could have had her contract converted into an Immediate Annuity of \$147.50. It will, therefore, be seen that if she could avail herself of the provisions of the Act at any time after her \$1,000 had been paid, she would have had an income over twice as large as she would have received had she left the money in the Savings Bank. This illustrates the advantage of persons who have been laying up for their old age transferring their savings, or a portion of them, to the Government on account of the purchase of an Annuity.

Information may be had at the Post Office, or of the Superintendent of Annuities, Ottawa.

FALLING HAIR.

Mrs. Jas. Harris, of Wappella, Sask., says—

"I have found Parisian Sage to be the best hair tonic and dressing I have ever used. My hair had been coming out in comb falls and was very dry and brittle and the scalp was always itching and full of dandruff. I have used two bottles of Parisian Sage and it has stopped my hair from falling, the itching and dandruff have disappeared and my hair is fine and soft and glossy. I would not be without this fine hair tonic for many times the price."

For women, men, or children Parisian Sage is without any doubt the finest preparation for the hair. Deftly perfumed, it is free from stickiness and ought to be where every member of the family could use it daily. Large bottle 50c at all drug stores or from the proprietors, The Giroux Mfg. Co., Ltd., Fort Erie, Ont., postpaid. The girl with the auburn hair is on every package. Sold and guaranteed by T. B. Taylor & Sons.

At Rideau Hall.

The coming of the Duke of Connaught to Rideau Hall must be regarded as a tribute to Canada's growing importance. The Crown being the chief link of Empire, and the King himself being fully employed in Great Britain, it seems only fitting that the only other available member of his family should represent the monarch in his chief over-sea dominion. The appointment is really a just recognition of Canadian autonomy. It stamps the Empire afresh as a series of equal States. As the London Morning Post puts it, fifty years hence Canada may be the wealthiest, most populous and most powerful division of the Empire, and then the King may reside at Ottawa and send governor-generals to Westminster. This is an aspect of the Duke's selection that should appeal to Canadians everywhere and fire their pride anew in the Imperial connection. As for the Duke himself he turned out to help defend Canada against the Fenians, and he is personally popular with the large numbers of Canadians who have come in contact with him. He is acceptable alike to English and French Canadians, and will be accorded a warm welcome when he reaches this country.

BURN CAUSED OPEN SORE.

Zam-Buk Worked a Wonderful Cure.

Sometimes a bad burn, a deep cut, or some similar injury sets up a more permanent injury, in the form of an open discharging sore. In such cases Zam-Buk will be found of unequalled value.

Mr. J. Nixon, of 901 William Ave., a blacksmith at the C. P. R. shops, had his foot badly burned by some molten metal falling upon it. He says: "The burn was a very bad one, and after the first few days it left an open sore, which showed marked signs of blood-poisoning. It discharged freely and caused me terrible agony. For three weeks I suffered acutely and could get no ease. At last I obtained a preparation from the doctor, which seemed to stop the discharging and made me quite hopeful, but finally the wound became as bad as ever."

"I was then advised to try Zam-Buk, and from the first application the balm gave me relief. The inflammation was thoroughly checked and the poisonous matter cleared away in a very short time after beginning with Zam-Buk. Healing then began, and in less than two weeks the wound was thoroughly healed."

One of the main lessons of this case lies right here—try Zam-Buk first for any injury, sore, skin disease or wound. It is equally good for eczema, blood-poisoning, festering wounds, chaps, cold sores, children's eruptions, scalp sores, varicose ulcers, chilblains, etc. All druggists and stores sell at 50c. a box or post free from Zam-Buk Co., upon receipt of price. You are warned against harmful substitutes and inferior preparations, which yield a bigger margin of profit and are sometimes pushed as being "just as good." Nothing is just as good.

What Has Dandruff Got To Do With Baldness?

You see the statement every day that the one cause of baldness is dandruff. But is it?

True, dandruff often precedes the departure of the hair.

It is equally true that you know men with a shock of hair who can hardly pull a comb through, who have carried around a dandruff laden collar as long as you have known them.

You have also seen men whose scalp was kept as clean as a baby's whose hair was surely departing.

That dandruff talks sounds well and convinces a good many of us, but let us not fool ourselves.

Of course dandruff isn't a good thing to carry around, but it is only an indication.

The same trouble that causes the hair to fall out usually causes dandruff, so if you get at the cause and arrest the loss of hair, you will stop dandruff too.

Those who use Nyal's Hirsutone find it the most satisfactory hair healer and hair dressing they have ever used. It does stop the hair from falling out.

It will also stop dandruff. Your Nyal Druggist cheerfully recommends it—\$1.00 and 50c in sprinkler bottles.
