TWO OPERATIONS.

BOTH FAILURES.

A Case of Kidney Complaint that would not yield to Surgery or Medicine until B. B. B. was tried.

GENTLEMEN,—After having undergone two operations for Kidney Complaint without securing the least relief, and hearing of some remarkable cures made by B. B. B. in our neighborhood, I decided to try it. I was given up by the doctors after the operations failed, and it was providential that I heard of B. B. B. After the use of six bottles I experienced so great relief and so great a change for the better that I felt the good effects would be lasting, as indeed they have been. The seventh bottle perfectly cured me, and I am now stronger and better than I ever was before. People who saw me before I took B. B. B. and who see me now can scarcely believe that I am the same person.
