ADVICE TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It cools the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

CATARRH, CATARRHAL DEAFNESS AND HAY FEVER.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are cured in from one to three simple applications made at home. Pamphlet explaining this new treatment is sent free on receipt of stamp, by A. H. Dixon & Son, 315 King Street West, Toronto, Canada.—Christian Standard.
