Under the approval of the Ontario Government, the Company is accepted by the High Court of Justice as a Trust Company, and from the organization has been employed by the Court for the investment of Court Funds. The Company acts as Executor, Administrator, Receiver, Committee of Lunatic, Guardian of Children, Assignee of Estates, Agent, etc., and as Trustee under Deeds, Wills, or Court Appointments or Substitutions; also, as Agent for Executors, Trustees and others, thus relieving them from onerous and disagreeable duties. It obviates the need of security for administration.

The Company invests money, at best rates, in first mortgage or other securities; collects Rents, Interest, Dividends, acts as Agent in all kinds of financial business, issues and countersigns Bonds and Debentures. Safes and Compartments varying from the small box, for those wishing to preserve a few papers, to large safes for firms and corporations, are rented at low rates, and afford ample security against loss by fire, robbery or accident. Bonds, Stocks, Deeds, Wills, Plate, Jewellery and other valuables are also stored. An examination of these vaults by the public is requested.
