

MUSICAL.

From the Boston Evening Traveller.

The KNABE PIANO, which has such a wide popularity, is considered by many experts to be superior in every way to any other Piano in the world. The success of this Piano has only been attained by years of careful study, and the Knabe, with its excellent singing qualities, its great power, the elasticity of touch, and superior workmanship, is justly the favourite. Herr Faleten's piano solos at the recent Worcester festival, the Schumann's concerto, in A minor, op. 54, and Liszt's Rhapsodie No. 4, which were so highly praised, were both performed upon a Knabe Piano, Herr Faleten pronouncing it to be the best Piano he had ever seen.

DILLON Bros., of Normal, Ill., have attended five fairs this season with their Norman horses, and were awarded fifty-four premiums; forty-five first, and nine second, seven of which were sweepstakes premiums. The class of fairs they have attended has brought them in competition with the best stock in the United States, and the large number of premiums they have taken speaks volumes for their stock. Horses that can carry away the prize from the Illinois and Indiana State fairs, and the St. Louis fair, can compete successfully at any fair in the world. Dillon Bros. will have a number of their Norman horses on exhibition at the fat stock show in Chicago, in November, and from there they will go to the World's fair in New Orleans, where they will exhibit a number of their finest stallions and mares.
