THE BEST AND MOST ECONOMICAL FERTILIZER KNOWN.

READ THE FOLLOWING TESTIMONIALS:

CAMPBELLFORD, ONT., September 7th, 1886.

GRAND RIVER PLASTER CO., NEW YORK, N. Y.

GENTLEMEN—We have to say regarding your Plaster that if we could get any other for almost nothing we would prefer yours at the price we pay for it, and the farmers in this section of country hold the same opinion. The quality of the article is established here, and there is no fear of any other plaster crowding it out of the market.

Yours truly, **DINWOODIE BROS.**

THAMESVILLE, ONT., September 11th, 1886.

GRAND RIVER PLASTER CO., NEW YORK, N. Y.

GENTLEMEN—We have been selling Plaster from the Cayuga Mines for a number of years, and our customers claim, and we know from seeing the results that there is no investment that pays one hundredth part as well. We have never seen the land that was not benefited by its use. On the River Thames it would be almost an impossibility to farm without its aid.

Yours truly, **SYER & MAYHEW,**
