

The **MERCHANT PRINCE**

LIFE OF

Hon. Senator John Macdonald.

By **REV. HUGH JOHNSTON, D.D.**

CLOTH, PRICE \$1.00.

"The biography is exceedingly well executed, and is published in a very attractive form. It is a work which will act as an incentive to honorable ambition in every one who reads it."—*Washington News*.

"In this volume are gathered up the lessons of a noble life. It is fitting that such a conspicuous example, not only of commercial success, but of the well-rounded character of Christian statesman and philanthropist, should be put on record for the study of young men. The subject of this volume was, we think, a much more remarkable man than the subject of William Arthur's famous biography of the 'Successful Merchant,' and the record of his life here given is not unworthy of comparison with that famous book—and I we can give it no higher praise."—*Methu list Magazine*.
