

OUR CIRCULAR SAWS,

Manufactured by the

SIMONDS' PATENTED PROCESS,

Having given such general satisfaction, owing to their uniformity of temper, we have at a great expense applied the principle to the tempering of Cross-Cut Saws, and hereafter our Cross-Cut Saws will be etched and known as such. Those who like a nicely tempered Saw will do well to give them a trial.

Ask your Hardware Merchant for the Simonds Saw, and see that it is etched as such.
