KERR WATER MOTOR CO.,
 NIAGARA FALLS, CANADA

The Knowles Bicycle Company, Limited,
 of Brantford, is seeking incorporation. Cap-
 ital \$50,000.

The Ingersoll-Sergeant Drill Company, of
 Montreal, have issued very handsome new
 catalogues showing various types of air com-
 pressors for different purposes.

Brantford is to have an accession in the
 shape of the Chalcraft & Serow Company,
 who will engage in the manufacture of
 screws, nuts and bolts.

Peter Minuk and A. G. Bellmare have
 registered as proprietors of the Manitoba
 Miner Shoe Company, of Winnipeg, Man.

The Canadian Typograph Company of
 Windsor, Ont., shipped a consignment of
 seventy-five bicycles to South Africa last
 week. This makes a total of four hundred
 they have already shipped the African
 market this year.

Metal Ceilings are now being
 recognized as the most desirable
 covering for Private Houses,
 Club Rooms, Public Buildings,
 etc. They are very handsome
 in appearance, will not crack
 and fall off, and compare favor-
 ably in price with any good
 ceiling.

Fully illustrated catalogues
 sent on request. Estimates fur-
 nished on receipt of plans.
