

## CANADIAN MEDICAL ASSOCIATION.

As we have already announced, the thirty-eighth annual meeting of the Canadian Medical Association, will take place this year in Halifax, under the presidency of Dr. John Stewart of that city, who along with his executive committee, and programme and committee of arrangements, are ardently working for the complete success of this meeting, the first which has been held in Halifax since 1881, when the number present just numbered fifty-three. If an united effort be put forth by the vice-presidents and local secretaries in the different provinces, especially in Nova Scotia, Prince Edward Island, New Brunswick, Quebec, and Ontario, there should be a largely attended meeting. There are indications that Montreal and Toronto are both going to send down good contingents. Daily there are additions to the list of contributors, whose names we will publish in a later issue. This year all delegates will travel on the usual standard convention certificate plan, which means that every delegate when purchasing single first class fare to Halifax, must get from the ticket agent a standard convention certificate for himself, his wife or daughters if they accompany him. Delegates will kindly bear in mind that they do not have to get any special certificate from the general secretary. If fifty are present holding standard convention certificates, all will be returned free to Montreal. Montrealers will, as well as delegates from Quebec, be returned for single fare. If there are 300 present holding these standard convention certificates, all will be returned free to their original starting point. This applies to all parts of Ontario, Manitoba, the Northwest Territories and British Columbia. Delegates from points west of Port Arthur, will not be allowed to use the upper lake routes when travelling by this certificate plan, in either direction. In all cases return transportation *must* be arranged for at Halifax. The usual time limit for conventions will be allowed for points east of Port Arthur, namely, three days before and three days after the meeting. Our readers will kindly extend this information as much as possible and those who intend contributing papers and being present, are requested to notify the general secretary, Dr. George Elliott, 203 Beverley St., Toronto, without delay. No arrangements can be secured for return via Boston or New York after the meeting; and those desiring to be routed thus, should ask for tourists' tickets. Arrangements are in progress for completion about the end of May, for boat trip Toronto or Kingston to Montreal or Quebec via the Richelieu and Ontario Navigation Company's line.
