DELIVERANCE ON COLLEGE REPORTS, ETC.

The report of this Committee was presented on the afternoon of the 13th. The report recommended that, during the ensuing year, the question of an additional Professor in Knox College be considered by Presbyteries, and that they nominate such minister as they may deem suitable for the chair. The Assembly, however, decided to proceed, in accordance with overtures which had been submitted, to the election of a Professor, when Mr. W. Gregg, of Cooke's church, Toronto, was unanimously elected to the chair of apologetics. The Assembly also appointed Dr. Proudfoot lecturer for next session in Homiletics. The Assembly adopted the recommendations of the report authorizing the Senate to make additions to the Library of Knox College. A recommendation was also adopted with reference to the number of times that students shall be called to preach while the work of the classes is going on limiting the number of times to six, and that it be the same for each Theological year. The Bursary scheme was commended to the liberality of the church; and the Senate in connection with the Board, was authorized to make provision for the teaching of elocution.

With reference to Montreal College, the Assembly, in accordance with the recommendations of the report, applauded Mr. J. M. Gibson, Lecturer in Exegetics.

The collection for the training of French students and French Evangelization was ordered to be taken up in all the congregations of the church.
