

Mother Graves' Worm Exterminator is pleasant to take; sure and effectual in destroying worms. Many have tried it with best results.

There are now, it is said, 6,000 names on the roll of the Students' Missionary Union, of whom 1,600 have already reached the foreign field.

Why go limping and whining about your corns, when a 25 cent bottle of Holloway's Corn Cure will remove them? Give it a trial, and you will not regret it.

An Englishman was once persuaded to see a game of baseball, and during the play, when he happened to look away for a moment, a foul tip caught him on the ear and knocked him senseless. On coming to himself he asked faintly, "What was it?" "A foul—only a foul." "Good gracious!" he exclaimed, "I thought it was a mu'e."

TELL THE DEAF.—Mr. J. F. Kellock, Druggist, Perth, writes: "A customer of mine having been cured of deafness by the use of DR. THOMAS' ELECTRIC OIL, wrote to Ireland, telling his friends there of the cure. In consequence I received an order to send half a dozen bottles by express to Wexford, Ireland, this week."

"Did you hear that creepy story Mr. Smith told?" "No; what was it about?" "His six months' old baby."

SIGNALS OF DANGER.—Have you lost your appetite? Have you a coated tongue? Have you an unpleasant taste in the mouth? Does your head ache and have you dizziness? If so, your stomach is out of order and you need medicine. But you do not like medicine. He that prefers sickness to medicine must suffer, but under the circumstances the wise man would procure a box of Parmelee's Vegetable Pills and speedily get himself in health, and strive to keep so.

"No, sir," said the rabid free-thinker, "the idea that there is a God never for a moment has entered my head." "Same way with my dog," replied the deacon; "but he doesn't go 'round howling about it."

THE MOST POPULAR PILL.—The pill is the most popular of all forms of medicine, and of pills the most popular are Parmelee's Vegetable Pills, because they do what it is asserted they can do, and are not put forward on any fictitious claims to excellence. They are compact and portable, they are easily taken, they do not nauseate nor gripe, and they give relief in the most stubborn cases.

ers in thousands of cases (with a record of 90 per cent. permanently cured), and desiring to relieve human suffering, I will send free of charge to all sufferers from Asthma, Consumption, Catarrh, Bronchitis and nervous diseases, this recipe, in German, French and English, with full directions for preparing and using. Each month is dedicated a precious stone, and according to the Greeks and Ancients any person wearing the enchanted stone of their birth month, insures them great and unending good luck.

Thus to January is dedicated the garnet; February, amethyst; March, bloodstone; April, diamond; May, emerald; June, agate; July, ruby; August, sardonyx; September, sapphire; October, opal; November, topaz; and December, turquoise.
