

THE OPTICAL INSTITUTE OF CANADA

60 Yonge Street. TORONTO.

A Diploma from this Institution means something.
The knowledge gained at this Institution means something.

**THE ONLY RECOGNIZED OPTICAL
INSTITUTE IN CANADA.**

And at least equal to any in America.

No previous knowledge whatever of optics or fitting glasses is required, because the course embraces everything from first to last that is necessary for an optician to know in order to scientifically and properly fit glasses. Students prove their ability to do this by actual practical work on patients the last few days of the course.

Write for a Prospectus, and see the testimony of hundreds of previous students.

Next Class January 24th, 1898.

Fee for Full Course, \$25.

W. E. Hamill, M.D.,
Instructor.
