Cloth and gold, gold top, uncut edges, \$1.00.

Charles Austin Bates

Vanderbilt Building New York

"Mr. Bates' Masterpiece. It is interestingly and readably written—more readable than one would believe possible on so hackneyed a subject as advertising—and it is illustrated by pictures intended to lend a humorous turn to many of the sentences in the text. For those who want a general idea of advertising principles, the book will be found valuable, and even the readers to whom its subject is more than familiar will find it an interesting companion for a leisure hour. It is full of apothegms, every one of which rings with a true note."
—*Geo. P. Rowell.*
