

practice by physicians throughout the country, and his pamphlets and larger works upon these subjects have been welcomed as valuable additions to medical literature, and placed among the regular text-books of many medical schools. Acknowledgment of the services which he has performed for medical science has been made by presentations of degrees from two of the first medical institutions of the land. The increasing demand for his specifics some time since necessitated the opening of a regular dispensary for their preparation, and from a small beginning the business of the establishment has now grown to mammoth proportions. Over a hundred persons are employed in the various departments, and a corps of able and skilled physicians are retained as an advisory board in difficult cases. Elsewhere in the *Republican* a whole page is devoted to a communication from Dr. Pierce, setting forth something of the history and details of this vast establishment, which will be found not uninteresting reading.

If you would patronize Medicines, scientifically prepared by a skilled Physician and Chemist, use Dr. Pierce's Family Medicines. Golden Medical Discovery is nutritious, tonic, alterative, and blood-cleansing, and an unequalled Cough Remedy; Pleasant Purgative Pellets, scarcely larger than mustard seeds, constitute an agreeable and reliable physic; Favorite Prescription, an unequalled remedy for debilitated females; Extract of Smart-Weed, a magical remedy for Pain, Bowel Complaints, and an unequalled Lament for both human and horse-flesh; while his Dr. Sag's Catarrh Remedy is known the world over as the greatest specific for Catarrh and "Cold in the Head" ever given to the public. These medicines are sold by druggists.
