Leadership Means Superiority

For nearly a score of years the Happy thought Range has been Canada's leading range, and has obtained a popularity never before equalled.

The name Happy Thought is a synonym of quality, the standard by which others are judged. Economical because best. If every housewife knew how easy cooking is made by use of the Happy Thought, how much time, trouble and labor is saved, she would use no other. The evenly heated oven, answering instantly the action of the dampers, makes cooking a delight and not labor.
