be removed from routine proceedings on the order paper and dealt with under paragraph 4 of standing order 15.

Hon. L. B. Pearson (Leader of the Opposition): Mr. Speaker, in view of what we on this side consider to be the unprecedented character of your ruling, and in view of the fact that if this motion had been moved by the member concerning whom the affirmations had been made it would have been accepted without question as a matter of privilege, we have no alternative on this side, with very great respect, but to appeal your ruling.

Mr. Speaker: Those in favour of sustaining the Speaker's ruling will please say yea.

Some hon. Members: Yea.

Mr. Speaker: Those against will please say nay.

Some hon. Members: Nay.

Mr. Speaker: In my opinion the yeas have it.

And more than five members having risen:

Mr. Speaker: Call in the members.

Mr. Speaker put the question as follows:

The question is an appeal to the house from a decision of the Chair as follows:

"That the notice of motion standing in the name of the Leader of the Opposition does not involve a prima facie case of a breach of the privileges of the House of Commons on the part of the hon. member for Peel, and that such notice is to be removed from routine proceedings on the order paper and dealt with under paragraph 4 of standing order 15.

The house divided on the question: Shall the Speaker's decision be sustained? And the decision of the Chair was sustained on the following division:
