

Abbott of J. Philip Vaughan and Associates Limited, structural engineer retained by the consultant. On June 12, 1968 the consultant was advised that the department considers responsibility for this work remains with their company.

3. Repairs were initiated on August 8, 1968 and are expected to be completed by the end of October. The remaining work in the building should be finished by the end of this year and an interim certificate issued within two weeks of that date.

C.M.H.C. LOANS

Question No. 427—**Mr. Caouette:**

1. How many loans were requested from Central Mortgage and Housing Corporation, by province during 1967?

2. How many loans were subsequently granted in each province?

3. What is the total amount, for each province, of the loans thus granted?

Hon. Paul Hellyer (Minister of Transport):

1.
