

PROTESTANT BOARD OF SCHOOL COMMISSIONERS
OF THE CITY OF MONTREAL

3460 MCTAVISH STREET

MONTREAL July 19th, 1933.

Sir Arthur Currie,
Principal, McGill University,
Montreal.

Dear Sir Arthur,

I remember Miss Rosengarten's case very well. Mrs. Henry Joseph spoke to me about her some time ago but inasmuch as we had over four hundred applicants, many of them with High School diplomas, for less than a tenth of that number of vacancies, and actually only a third of the vacancies could be filled by Jewish teachers, I urged her to have this young lady wait until our situation for beginners improved.

Please be assured, though, that I shall be glad to keep Miss Rosengarten in mind and recommend her for appointment as soon as there is an opportunity to do so.

Faithfully yours,

Superintendent of Schools.
