

Fez, Meknes, & Tangier.
All very interesting places
& all quite foreign to
any thing we had seen

before except of course in
less crude sights in Algiers.

On our return & after a
few days rest we started

off for a tour in Spain,
visiting Ronda, Cordoba,
Madrid, Toledo, The Escorial

& Granada. Some wonderful
Cathedrals

Simple overburdened with
riches, but oh! the poverty
in the surrounding neighbourhood.

We hope to be in England

in July next - Do you think

of coming over? Should be

delighted to meet you all

again.

I am a grass widow

for a few weeks - Mr R

is in Ireland trying to settle

up her late Uncle's affairs.

Best of all good wishes to

Yours sincerely
Dick.
