McGILL UNIVERSITY

MONTREAL.

FACULTY OF ARTS.  
OFFICE OF THE DEAN.

January 21, 1921.

Sir Arthur Currie,  
Principal, McGill University.

Dear Sir Arthur Currie,

I shall be glad to serve on the Special Arts Building Committee of which Col. Herbert Molson is the Convenor. I quite understand that this Committee does not imply any definite action as regards alteration or construction.

Would it be possible to have Dr. Walter on the Committee? He is the senior member of the Faculty and intimately acquainted with all details of the building. As the Committee stands, I am really the only Arts representative, as Dr. Eve's work lies in the Physics Building.

Yours faithfully,

*James Harkness*  
Acting Dean
