

Name.	Answer.
Drew, D. W. ....	About the middle of November; we are apt to have some good weather after that. Winter ends about end of March, but some grain was sown in March this year. No hardship or loss. Climate healthy, myself and family all having good health here.
Ogletree, F. ....	Three years since I came, we ploughed until the middle of November, but oftener the ground is closed the latter part of October. Never suffered any hardship; am well pleased with the winter. I consider the climate very healthy.
Thompson, S. ....	1st week in November till about April. No hardship or loss. I have been out a good deal with team in winter; never been frozen yet.
Bonesteel, C. H. ....	About the last of November, and ends in April sure. I suffered no loss from the climate last winter. I consider it a very fine winter; much more so than I ever expected to see here. Climate very healthy.
Anderson, Geo. ....	10th to 15th November and ends in March. No hardship or loss, and don't know of any one in this section having suffered anything serious.
McDougall, A. G. ....	About 15th to 20th November, ends about 1st April. No hardship or loss. Climate the healthiest in the world.
Hume, Alex. ....	It freezes up about the 1st Nov. No hardship or loss. Climate healthy.
Stevenson, G. B. ....	Have ploughed three years till 5th November. No hardship or loss. Climate healthy.
Wagner, Wm. ....	1st to 15th November till 1st April. No hardship, but by the neglect of my stableman I have lost two calves through being frozen; cow calved during night. Very healthy climate. I left Toronto with a fever-ague and rheumatism, and to-day, 65 years old, I am strong and healthy.
Nelson, Robert. ....	About the 5th November till 1st April. Can't say I have suffered any hardship or loss, but have felt it cold, and I lost some poultry. Climate healthy upon the whole. Climate, as far as I can judge, is favorable to successful settlement.
McIntosh, A. ....	Have not suffered any serious losses. Climate extremely healthy.
Bolton, F. ....	About 20th November till 20th March. No hardship or loss. Winters are cold but dry, and therefore I prefer it to softer climate. Climate particularly healthy.
Morton, Thos. L. ....	Averages from 15th November to 15th April. No hardship or loss whatever. Climate very healthy.
Wilson, James. ....	Ploughing stopped about 10th Nov. No hardship or loss. Climate healthy.
Slater, Chas. B. ....	In 1883, November 15th, ended 25th March, 1884. No hardship or loss in the slightest. Extremely healthy.
Connerson, James. ....	About 15th November to 17th March. No hardship or loss. Climate by all means healthy. All the family in perfect health; was twenty-eight years in Holland, but never so well and happy as here.
McKenzie, K. ....	Ploughing stops about 7th November, but generally fine weather after. Ends about latter end of March. No hardship or loss. Climate healthy.
Kennedy, Thos. ....	About 5th November till the 10th to 20th April. No hardship or loss. Neither myself nor family have had any sickness since coming here.
Harris, A. B. ....	1st November to 1st April. No hardship or loss. Climate very healthy.
Burtley, Noah. ....	1st November to 10th April. No hardship or loss in any respect. Climate considered very healthy by almost everybody.
Chambers, W. ....	About 1st November to middle of April. I have found the winters most enjoyable. I have been in various countries, and can say that this is the most healthy of any I have ever lived in.
Carroll, A. H. ....	About the last of November till the latter end of March. No hardship or loss; enjoyed the winters exceedingly. Climate very healthy.
