NORFOLK, Va., April 4 .- Cherryola, cleverly piloted by Koerner, won the feature event, the Jockey Club purse, at Jamestown, teday. The dopester and the bettors alike had figured out that the Joplin mare was the best entry and their confidence was fully justified. their confidence was fully justified. The real contest in this event was between Armor and Merry Lad, and the Tennessee colt won out. A newcomer, Florin, cleverly guided by Troxier, led the 2-year-oids, beating out Sonny Boy, who was considered the best of those known in the bunch. Troxier was also atop the winner of the second event, and it was the general opinion that nothing short of a fall could prevent the Simons colt from taking the race, as he was far and away better than any other entry. colt from taking the race, as he was far and away better than any other entry. Corey also piloted home two winners in Coeur d'Alene in the third and Martre in the fifth. Rock Rest and Captain Jinks were figured as among the best in the third, but both finished away behind, while Double Five, considered the best in the fifth, was the last to cross the finish. In the last race of the day, Cheer Up surprised the talent by anding in first place. Ragman was considered to have a good chance, but was unable to head the Louis gelding, while Koerner, with the favorite, Floral Day, was fortunate to land in the money, for the third of the day.
