## HOW TO CURE RHEUMATISM

The Disease is Always Rooted in the Blood, Which Must Be Made Rich and Pure.

There are still many people who imagine that rheumatism can be cured by liniments and rubbing, overlooking the medical fact that the trouble is rooted in the blood. Rheumatism can be cured by cleansing and enriching the blood, thus driving out of the system the poisonous acids which cause the rheumatic pains. Dr. Williams' Pink Pills cure the most obstinate cases of rheumatism because they go straight to the root of the trouble in the blood. Every dose helps to make rich, red blood, and this new blood expels the poisonous acid, bringing health and comfort to the tortured victim. Do not waste time and money in liniments and outward applications. Give Dr. Williams' Pink Pills a fair trial and thus drive the disease out of your system. Here is proof of what Dr. Williams' Pink Pills can do in cases of this kind. Mr. Richard Palmer, Worcester, Ont., says: "For months a combined attack of rheumatism and sciatica. The rheumatism seemed to settle in all my joints and the sciatica pains were so great that I could scarcely hobble about. I am a farmer, and so you can understand that in my condition I was unable to do my ordinary work. Neither doctors nor various remedies I took did me any good. Finally I was induced to try Dr. Williams' Pink Pills, and for this I have much to be thankful for, as after taking a few boxes the pains began to disappear, and by the time I had taken nine boxes every twinge of both the rheumatism and the sciatica had disappeared and I was able to go to work again as usual, and have not lost a day through illness since. I am thoroughly grateful for what Dr. Williams' Pink Pills have done for me and hope my experience will benefit some other sufferer."

It is the curing of just such cases as these that has given Dr. Williams' Pink Pills their world-wide popularity. You can get the Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from Dr. Williams' Medicine Co., Brockville, Ont.

well-known and promising artists is to be seen in the exhibit. There is a decided partiality in the part of the artists for typical Canadian subjects, some of the finest canvases revealing the great wealth of natural beauty to be found in the heart of an eastern valley, in a pass of the western Rockies, in the sunset of an undulating prairie, or in the swirl of the fresh blue waters of the northern lakes. Glimpses of Rockies. One striking glimpse of the Rockies is given in a painting by J. W. Beatty called "In the Yellowhead Pass." F. H. Bridgen submits two strong studies typically Canadian—one, "Munro's Highlands," the other a beautiful scene entitled "Afternoon in the Valley." Robert E. Gagen, secretary of the society, has entered a wonderful painting called "The Harbor of Monhegan," in which the sun is softened by a delicate haze rising from the water. Tom Thompson also reveals in his Canadian scenery several examples of his most representative work.

Remarkable for their historical value are two views of Trafalgar square, painted by John Russell, showing the celebration of "Trafalgar Day, 1914," when for the first time in history the Grenadier Guards Band played for an hour in the square.

The night scene with the powerful lights on the monument is fascinating. The portrait exhibit is delightful. Dorothy Stevens' "Little Italy," "Marion Long's 'A Portrait,'" and "Wily Grier's 'Dr. L. E. Embree'" being especially fine. A dainty group of miniatures includes some lovely work by Elizabeth Knowles, and a very fine display of water colors includes the work of Bell-Smith, R. E. Gagen, Ward, Holmes and More.

That etching has become a serious study in Canada is revealed in the fine collection to be seen, the work of Dorothy Stevens being remarkably fine and full of intense feeling. Some fine sculpture work is also shown, and in view of the effort made by the society to make this year's exhibition the most profitable in history the frequent galleries during the exhibit, which lasts until April 10.

## MINING IN BELGIUM IS BEING RESUMED

German Commission Reports Fair Activity in the Collieries.

Canadian Press Despatch. BRUSSELS, Via Berlin, March 12.—According to Privy Councillor Bernhardt of the economic commission, appointed by the German Government to promote Belgian business interests, progress is being made toward normal industrial and transportation activity. It is stated that 107,000 miners are working half time in the coal mines, as against 145,000 who operate the mines normally. The daily production of coal has reached 35,000 tons.

The iron industry has been more backward in resuming work because 85 per cent of the product previously was exported and at present the export business is almost at a standstill.

## BRITAIN BUYS BULK OF CROP OF INDIGO

Canadian Press Despatch. LONDON, March 12, 9 p.m.—The British Government has bought the greater part of the crop of natural indigo now coming forward for sale in the United Kingdom. This step was taken in order to mitigate the effects of a shortage of indigo for dyeing purposes and to prevent any speculative holding up of natural indigo.

## AMENDMENTS MADE AND BILL ADVANCED

Mortgages and Purchasers' Relief Act Passes the Committee Stage.

RIGHT TO FIX RATE

Question of Interest Rests With Judges and Vital Point is Settled.

The Mortgage and Purchasers' Relief Act, familiarly known as the "Mortgage Act," passed the committee stage in the legislative assembly yesterday. The bill was passed by a vote of 25 to 10.

Another ruled that in cases of mortgages the right to fix the rate of interest rests with the judges, and that the committee should not attempt to fix the rate. The question was before the committee yesterday, and as a result the bill was passed on a flat rate basis.

Canadian Press Despatch. LONDON, March 12.—The identity of the vessel described in a recent wireless communication from Berlin as a yacht, which fired on a German submarine in the English Channel, Feb. 1, was revealed today in an announcement given out by the admiralty, as follows:

"H.M.S. VanDusen, an auxiliary armed vessel, engaged a German submarine Feb. 1. The German Government alleges that she did not show her colors before firing. The commanding officer of the VanDusen reported at the time: 'I was firing on a dark object, but I did not show my colors until I was fired upon.'"

Lieut. Sils, a supposed French officer, wounded veteran of the Mons battle and lieutenant of the 1st battalion of the 1st Canadian division, who was captured by the Germans, was released by them on 30 days in New Orleans for non-payment of his board bill.

## WANT GRADE CUT ON YONGE ST. HILL

Matter Will Stand Pending Double Tracking Later on of Car Line.

ON TO BOARD AGAIN

Works Committee Sends Back Waterworks Scheme, Urging Consideration.

A large deputation, headed by Wm. Britnell, waited on the works committee yesterday to ask that the Yonge street hill north of the C.P.R. crossing be cut down. At present there is an 8 per cent grade, which makes it impossible for teams to take up more than half a load. Committee member Harris is of the opinion that it would be inadvisable to go on with the work at the present time as the road would be left in bad condition until such time as it could be paved. It is also pointed out that the franchise of the Metropolitan now at application before the legislature for the double-tracking of the street, and it would be much better to leave the grading until the double-tracking could be gone on with. The committee will make a further report at the next meeting of the committee, as some of the aldermen would like to see the work done, especially in view of the unemployment situation at the present time.

At the last council meeting the board of control recommended against going with the proposed duplicate waterworks system, which it is estimated will cost \$2,000,000, and council adopted the recommendation. The question came up before the works committee yesterday, and the committee decided to again send it on to the board of control with the recommendation that the work be referred to the aldermen, some \$1,500,000 has been waterworks extensions in connection with the duplicate system.

In order to decrease the land damages in connection with the building of the Yonge street subway over the C.P.R. crossing at North Toronto, a gentleman who is looking after the C.P.R. interests in connection with the subway, asked the works committee yesterday that the proposed grade of five per cent be changed to 2 1/2 per cent. The matter was referred to the aldermen, who will confer with the C.P.R. and other interested and report back to the committee.

At the last meeting of council the mayor stated that no supplementary bill would be allowed this year. In this connection, the mayor stated that the position taken is correct; that the passing of supplementary bills is not only irregular, but illegal, and that he will see to it that his department is concerned that none are allowed to pass.

Revert to Flat Rate. Since the flat rate for putting in private cars was done away with, and each driver charged for according to the amount of work required in connection with it, the price of private cars has increased. The question was before the works committee yesterday, and as a result tenders will be asked for on a flat rate basis.

Mayor Charles G. Macpherson, who is now in the hospital, is said to be in a bad way. It is reported that he will not survive the illness.

Special to The Toronto World. LONDON, March 12.—Lillian, three-year-old daughter of Leonard Catchpole, St. Thomas, was burned to death this afternoon. The child was playing with matches.

## CHILD BURNED TO DEATH BABY SISTER MAY DIE

Three-Year-Old Daughter of Leonard Catchpole, St. Thomas, Fire Victim.

Special to The Toronto World. LONDON, March 12.—Lillian, three-year-old daughter of Leonard Catchpole, St. Thomas, was burned to death this afternoon. The child was playing with matches.

Mrs. Catchpole was called to the bedside of a sick neighbor, and left the children in the house alone. In a few minutes flames were seen bursting from the windows, and the mother rushing back, tried to enter the burning house to rescue her children but was driven back by the flames.

A fireman later entered by an upstairs window and found the two-year-old girl lying on the floor of a bedroom and Lillian unconscious in the corner of the room behind a door, where she had hidden to get away from the flames.

The house was destroyed by fire, and the family was forced to leave their home. The fire was caused by a match thrown by the child.

Mrs. Wilford, of Ingersoll, died at the residence of her son, George Wilford, St. Thomas, where she has been visiting.

ILL COULDN'T PAY. Lieut. Sils, a supposed French officer, wounded veteran of the Mons battle and lieutenant of the 1st battalion of the 1st Canadian division, who was captured by the Germans, was released by them on 30 days in New Orleans for non-payment of his board bill.

## THE BLOOD IS THE STREAM OF LIFE

Pure Blood is Absolutely Necessary to Health.

"FRUIT-A-TIVES" PURIFIES

These Wonderful Tablets, Made of Fruit Juices, are the Best of All Tonics to Purify and Enrich the Blood.

Pure, rich blood can flow only in a clean body. Now, a clean body is one in which the waste matter is regularly and naturally eliminated from the system. The blood cannot be pure when the skin action is weak, when the stomach does not digest the food properly, when the bowels do not move regularly, when the kidneys are strained or overworked.

Pure blood is the result of perfect health and harmony of stomach, liver, bowels, kidneys and skin.

"Fruit-a-tives," by their wonderful action on all these organs, keeps the whole system as clean as Nature intended our bodies to be clean.

"Fruit-a-tives" tones up, invigorates, strengthens, purifies, cleans and gives pure, rich, clean blood that is, in truth, the stream of life.

"Fruit-a-tives" is sold by all dealers at 50c a box, 6 for \$2.50, trial size 25c, or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.
