NUMEROUS ADDITIONAL NOTES.

UNIFORM WITH THE NEW EDITION OF PEYLS' DIARY.

In 4 vols., post 8vo, price 10s. 6d. each, with Illustrations.

N.B.—The First Two Volumes, comprising "The Diary," are now ready.

The Diary and Correspondence of John Evelyn has long been regarded as an invaluable record of opinions and events, as well as the most interesting exposition we possess of the manners, taste, learning, and religion of this country, during the latter half of the seventeenth century. The Diary comprises observations on the politics, literature, and science of his age, during his travels in France and Italy; his residence in England towards the latter part of the Protectorate, and his connexion with the Courts of Charles II. and the two subsequent reigns, interspersed with a vast number of original anecdotes of the most celebrated persons of that period. To the Diary is subjoined the Correspondence of Evelyn with many of his distinguished contemporaries; also Original Letters from Sir Edward Nicholas, private secretary to King Charles I., during some important periods of that reign, with the King's answers; and numerous letters from Sir Edward Hyde (Lord Clarendon) to Sir Edward Nicholas, and to Sir Richard Brown, Ambassador to France, during the exile of the British Court.

A New Edition of this interesting work having been long demanded, the greatest pains have been taken to render it as complete as possible, by a careful re-examination of the original Manuscript, and by illustrating it with such annotations as will make the reader more conversant with the numerous subjects referred to by the Diarist.

"It has been justly observed that as long as Virtue and Science hold their abode in this island, the memory of Evelyn will be held in the utmost veneration. Indeed, no change of fashion, no alteration of taste, no revolution of science, have impaired, or can impair, his celebrity. The youth who looks forward to an inheritance which he is under no temptation to increase, will do well to bear the example of Evelyn in his mind, as containing nothing but what is imitable, and nothing but what is good. All persons, indeed, may find in his character something for imitation, but for an English gentleman he is the perfect model."—*Quarterly Review*.
