

To make a sigh a song of gladness

The sigh of the weary wife as she turns from the hot stove and trudges back to the ironing board to attack once more her wearisome task, will cease, and in its place will come a snatch of song when an electric flat iron takes the place of the present antiquity. The entire scene may change to the back porch, or to any cool spot where there is an electric lamp socket, for there will be no more need of a hot stove or of endless walking back and forth. INDICTED FOR FORMING NEW VARIETY OF TRUST

Had No Capital Stock and Did Not
Try to Control Prices Among
Themselves.

CHICAGO, June 23.—Fourteen secretaries of as many retail lumber dealers' associations indicted by a special grand jury here to-day for alleged violation of the Sherman law, constituted a new kind of "trust" according to the United States attorneys, who conducted the investigation.

The retail lumber dealers it was admitted at the close of the investigation had no incorporation, no capital stock and did not try to control prices and prevent competition among themselves. Instead they had what the attorneys say was a "trust of power" and sought to provide that all lumber should be sold to consumers only through retail dealers and not directly by wholesalers or manufacturers.

The secretaries of the retail associations constitute the lumber secretaries' bureau of information, incorporated in Illinois in 1905, and represent thousands of retailers.

The power of the retailers' organization was wielded through the bureau of information according to the indictment.

PICKERING CENTENNIAL WAS A GREAT SUCCESS

Nearly 10,000 People Attended in
the Two Days—Minister of
Justice Spoke Yesterday.

BROUGHTON, June 23.—(Special.)—The crowning success of the Pickering Centennial came to-day, when in the presence of nearly 5000 people gathered from all parts of South Ontario, and favored with delightful weather, the musical and sporting features of the occasion were carried to a successful conclusion.

Mr. Alan Aylesworth, minister of justice, was on the grounds during the afternoon, having motored up from Oshawa with F. L. Fowke, M.P. The minister, who has been in the political or controversial, and his address, devoted to a review of the evolution of the municipal system of Ontario, was repeated with interest and information. Referring to the history of Pickering Township in particular, he stated that it was first known by the name of Edinborough. The address of the minister of justice showed deep study and a thorough mastery of the municipal system of Ontario. He received a warm welcome, as did Mr. Fowke, M.P., and Charles Calder, M.L.A., each of whom spoke briefly.

The music of the coronation choir, composed of 200 voices, was a feature of the day, and elicited the heartiest commendation.

During the forenoon, addresses were given by Rev. J. J. Redditt and Rev. Mr. Sowerby. The sports were carried on under an efficient committee, and the arrangements for catering to the great throng were, as on Thursday, most efficient.

In a movement so large and entailing so much labor as the organization of a township centennial, something must of necessity have been overlooked, but the committee, one and all, may fairly congratulate themselves on the splendid success of the occasion. Pickering Township has worthily attained to her present high agricultural standing.

"PIMPLES" Broke Out All Over Her Face.

Pimples are caused, almost entirely,
by bad blood, and there is only one way
to get rid of them, and that is to get at
the seat of the trouble by using a good
reliable blood purifying medicine.

Burdock Blood Bitters has been on the
market for 35 years, and is one of the
very best blood medicines procurable.
After using it you will find that the
pimples have disappeared, and you will
have a beautiful clear complexion.

Mrs. Robert McNab, Badjeros, Ont.,
writes:—"I am greatly pleased to report
the benefit I have derived from the use
of Burdock Blood Bitters. About a
year ago I became so weak and run
down I could scarcely walk, and pimples
broke out all over my face. I tried one
thing after another, but nothing seemed
to do me any good. I was advised by a
friend to try B.B.B., and before I
had used one bottle I felt it was doing
me good so I used three bottles, and I
am now well and strong, and the pimples
have all disappeared."

gram.

man, and Rev. A. H. McGillivray,

NORTH TORONTO.

NORTH TORONTO, June 23.—(Spe-
cial.)—The fourth annual garden party
held under the auspices of the Eginton
Presbyterian Church on the
grounds of William Maguire to-night
was most successful. Unfavorable
weather interfered unobtrusively with
the attendance, but nothing could ex-
ceed the culinary and other arrange-
ments, while Mr. and Mrs. Maguire,
the church made everybody feel
thoroughly at home. The North Toronto
Citizens' Band gave a delightful pro-
gram of music, and the financial results
will be fairly satisfactory.

General satisfaction is felt at the
action of the Ontario Railway Board
in laying over the question of increas-
ing switching privileges on the Metro-
politan Railway. It is felt that annex-
ation will be an accomplished fact long
before the time limit set by the rail-
way board.

WEST TORONTO.

WEST TORONTO, June 23.—(Spe-
cial.)—The funeral took place this af-
ternoon of Clarence Langris of 2086
Dundas-st., to Prospect Cemetery, and
of Edith Garner to St. George's Church
at Lambton. Of the latter, the cause
of death was peculiar. Some short
time ago she had her teeth extracted
under chloroform. About a week after
septicæmia set in, which caused her
death.

CENTRE YORK LIBERALS.

On Wednesday Candidate May Be
Chosen for Constituency.

Centre York Liberals meet at Thorn-
hill on Wednesday afternoon to nom-
inate a candidate for the Dominion
Parliament. While Dr. P. D. McLean,
the unsuccessful candidate in the last
election has many friends, it looks like
as the choice would lie between
John Garthhouse, reeve of Etobicoke,
and W. D. Annis, reeve of Scarborough.
It is questionable tho, even in the

event of his nomination by the con-
vention whether W. D. Annis would
allow his name to go before the elec-
tors. He is thought to be well in the
line of succession for the wardship
being returned again as reeve, and he
will have a united council behind him,
will make a strong bid for the war-
danship.

Mr. Gardhouse has been in municipal
life for a long time, has never been
warden, is ambitious for the honor,
and might consent to enter the arena
against the gallant captain from
Woodbridge. Mr. Gardhouse is a suc-
cessful farmer, a breeder of high-class
stock and would undoubtedly make a
strong candidate.

The honorary governors who will
visit the Toronto General Hospital dur-
ing the week commencing on June 25,
are Messrs. Robert Laidlaw and D.
Coulson.
