A steady feeling prevailed in the market for sheep and lambs, owing to the smaller offerings and the good demand for the same from butchers and packers. Ontario lambs sold at \$5.75 to \$6, and ewes at \$3.50 to \$3.75 per hundred. Owing to the weakness in the Toronto market for hogs on Tuesday, and the decline in prices of 50c per 100 pounds, the local market was weaker today, and prices were 25c per hundred lower than on Monday. The demand from packers was good, and sales of selected lots were made at \$8.50 to \$8.75 per hundred, weighed off cars. The demand for calves was good, at prices ranging from \$3 to \$15 each, as to size and quality.
