by over three and a half millions, and now stand at \$11,858,296, divided among 37.532 depositors, representing an average of \$316 per head. Since the end of the fiscal year, 1904, the number of customers have more than doubled, from 21,341 to 44,896 at present, and the number of depositors from 17.710 to 37,532. In concluding, Mr. Stewart stated he always had had large ideas regarding the position the Sovereign Bank should take m the financial world, but his ambition ran towards strength and safety mather than size, Everything indicated that the bank was now in reach of the happy combination of both solidity and magnitude.

The election of the board of directors was then taken up, and the entire old board, with the addition of Mr. A. E. Dyment, was elected. At a subsequent meeting of the board Mr. Duncan M. Stewart second vice-president and general manager.

OSGOODE HALL.

Judgments handed out yesterday: Trial court (Weiland)—Cronkhite v. Imperial Bank; Anglin, J. (North Bay)—McPherson v. McLean: Britton, J. Announcements for To-Day.

Master's chambers—Cartwright, master, at 11 a. m.:

Weekly court—Cases set down for the word of the said the order of the sound of the voyage until Fullerton was reached.

To Mr. Northrup he said that there were many Esquimaux there, and during the whole winter they fed about fifty or sixty of these natives from the ship's stores. The greatest number at one time would be about ninety-five. On leaving Fullerton for Chateau Bay there were between twenty and twenty-five barrels of furs on board and some of these at least were transferred to the Neptune; at any rate he saw none after leaving Chateau Bay for Quebec. He said there had been dances held to next on the Erik.

It was learned that the papers held by Mr. Northrup had been given by Mr. Weeks, the purser. At Burwell orders were given to him by Major Moode to send 35 pounds of tea, 35 pounds of coffee and other supplies to Joec Lane for two men and two women who were cripples and could not come on board in ordinary circumstances
