WEST YORK CAMPAIGN OPENS AT MIMICO

Junction Council Appoints an Engineer—Dundas Street to Be Paved—Other Notes.

MIMICO, May 28.—(Special.)—The first gun in what has developed into a short, but strenuous, campaign in the West York provincial election was fired at a joint meeting of the rival candidates in the schoolhouse here to-night.

Mr. Maclean referred to the courtesy of Mr. Williams in granting him an opportunity to speak. He expressed his sympathy with many of the views expressed by the latter, but Dr. Godfrey was pledged to give an independent support to the Whitney administration, which was endeavoring honestly to legislate for the people.

TORONTO JUNCTION, May 28.—A special meeting of council was held to-night. John T. McMullin was unanimously appointed to the position of superintendent of the waterworks, rendered vacant by the death of John Haggas. The salary is \$1200 per annum.

Last night, under the auspices of the Young People's Society, a musical evening was further enlivened by vocal solos, given by Miss Grace McKenzie, and piano solos by Miss Lettie Reynolds. Rev. and Mrs. D. C. Hoosack, who presented the society with a handsome piano, were the recipients of a hearty vote of thanks for the magnificent evening.

STOUTVILLE, May 28.—The death of Samuel Burkholder, one of the oldest and most respected residents of this town, took place to-day, at the age of 71 years. Mr. Burkholder had been in business here for the past 22 years, the greater part of which was spent in the undertaking trade. Mr. Burkholder was stricken with paralysis on Sunday evening, June 26, at about 10 o'clock, and died at 10 o'clock on Monday morning, June 27, at his home, No. 102, Davisville-avenue, for a corporation yard.

John Saunders, who has suffered greatly from rheumatism during the past winter, died at his home at about 10 o'clock on Monday morning, June 27, at his home, No. 102, Davisville-avenue, for a corporation yard. Mr. Saunders was 68 years of age and had been in the undertaking trade for many years.

WHITEVALE, May 28.—The rally and reunion at the Methodist Church here on Sunday was a memorable event in the history of this old established congregation. The speakers were Mrs. Reynolds, M. R. Hoover, Rev. C. W. Reynolds and Levi Annis. Splendid music was furnished by the choir at each of the services, at which more than 400 pupils and ex-pupils were present.

CHESTER, May 28.—A well attended and enthusiastic meeting of the vestry of St. Basil's Church, Chester, was held to-night, the rector, Rev. J. M. Vipond, presiding. F. G. Parker, people's warden, presented a report of the church's financial condition for the year ending on March 31, 1927. The report was adopted and the members pledged themselves to have the church ready to meet the new year on September 1st.

NEWMARKET, May 28.—The annual meeting of the North York teachers' association was held here on Thursday morning, and continues practically for two days, promises to be one of the most enjoyable and instructive held in the district. The teachers have outlined an ambitious program. On Thursday morning at 8 o'clock the convention will convene at the appointment of committees, the

About Female Ailments

Not Hard to Cure if Properly and Promptly Treated.

Ask any intelligent physician what causes nine-tenths of all female diseases, and you will find the answer in constipation and indigestion. Back comes the answer quick and sharp, "Constipated Bowels." There is scarcely a single female ailment that has not in its earlier stages symptoms of constipation.

North Toronto, May 28.—The Gleggrove car No. 37, of the Metropolitan line, suffered another accident to-night on the Deer Park switch. In a collision with a Newmarket car, the vestibules of both were badly smashed, but no one was hurt. This is the second collision of the Gleggrove car with a Newmarket car within two weeks. Mr. Miller, for 20 years active in the China Inland Mission, gave an address in the Deer Park Presbyterian Church

Agincourt, May 28.—A public meeting will be held in Knox Church, Scarborough, Monday evening, June 2, to make arrangements for a local option campaign for the township. It is likely an organization will be effected.

On Friday morning the teachers will leave on a special car for Toronto, where they will be addressed at 10 o'clock by the minister of education. At the university, President Hutton and Prof. Carruthers will speak briefly. The party will return home in the evening.

There was two inches of snow on the ground here at an early hour this morning.

Richmond Hill, May 28.—Very sad indeed was the sudden death of 12-year-old Pearl Frisby of Victoria-avenue Baptist Church, near Duffin-street, on Monday evening, June 2, to make arrangements for a local option campaign for the township. It is likely an organization will be effected.

Stewart Head has a fractured wrist, caused by his father to leave a quickly moving car.

J. H. Sanderson, V. S., has returned from his trip north, purchasing horses for a horse concern.

Editor T. F. McMahon gave an address at the Epworth League.

Reverend Rev. P. Brace, B. D., took for his subject, "Why Should We Keep Victoria Day?" and showed the character and influence of England's greatest monarch.

Now that Provincial Inspector Campbell has viewed our new works on the purchase of the land formerly owned as local a road leading to the C. N. R. as it has been formerly the cause of strong objections.

A Broadway-avenue car ran off the track this morning while Y-ing and backing up too far. No one was hurt, but traffic was blocked for a considerable length of time.

Todmorden, May 28.—A committee of the Todmorden Ratepayers' Association met last night in Todmorden House, Messrs. R. H. Wiggin, J. Westwood, J. B. Millar, H. M. Robinson, Bowers Downes, School Trustee W. Burgess, Reeves Henry, Watson and Barker and Andy Watson, road commissioner at Fairbank, Road Commissioner Joseph T. Turner were present to give any information required in this district, over which he has charge. George T. Davies presided, and J. McDonald acted as secretary. The committee decided to communicate with the mayor and council of Toronto, thru the township council, and procure sewerage and city water along the Don Mills-road. The whole affair will be explained at the ratepayers' meeting in the schoolhouse on Thursday night.

Doncaster, May 28.—There is a large marquee erected on the northeast corner of Danforth-avenue and Don Mills-road. This marquee is on the road allowance, and is intended for refreshment purposes, but the weather is too cold, so far, to use it. At present it is a resort for loafers at the end of the Broadway car track. Much complaint has been made of the influx of loafers to the car track, and a city constable in plain clothes has arrived just late enough to miss the bunch, who slip over to the corner on his near approach. A city constable, who is also a county constable, should be detailed for duty on Danforth-road and vicinity, so that

LOOKED LIKE INTENDED SUICIDE

The citizen who was seen brandishing a fence-looking razor says it wasn't suicide he was thinking about but corns. Needless to say his wife bought him Putnam's Corn Extractor and hid the razor—very wise, because Putnam's cures in 24 hours.
