"DEAR MRS. PINKHAM: - I wish to thank you for the benefit your medicine has done me; I cannot speak too highly in praise of it. After my child was born I was left in a very bad condition. I flowed three weeks out of the month; I suffered for months, and finally consulted three physicians. Two of them said I had a tumor, and the third one said I was going into consumption. I was sick and tired, and could not perform my household duties. Finally a friend urged me to try Lydia E. Pinkham's Vegetable Compound. I really had no faith in it, although I had often heard of its wonderful cures; but the fact was I had no faith or interest in anything any more. I finally decided to try it; after the first bottle I felt immensely better, and after taking the sixth bottle I was entirely cured, and felt like a new woman. I consider it woman's friend, and would never be without it in the house. O, what a lot of misery and suffering could be avoided if all women only knew of the wonderful power of Lydia E. Pinkham's Vegetable Compound to cure their ills." - Mrs. N. Belknap, 1222 Leavenworth St., San Francisco, Cal. \$5000 FORFEIT IF THE ABOVE LETTER IS NOT GENUINE.

Prominent Grits have openly stated that they would vote for a Conservative in preference to the present member, because he has been working for himself instead of fulfilling the numerous promises he made to his constituents. He has represented the riding since 1896, made many promises, but done nothing for it. A member of the opposition could not have fared worse.
